# TRANSFORM YOUR BUSINESS

---

**WITH OUR LIVE CELL  
PRECEPTORSHIP PROGRAM!**

Are you ready to explore new procedures that enhance the health & longevity of your patients, while boosting your cash revenue stream?

# 2-DAY PRECEPTORSHIP PROGRAM

The Preceptorship Program provides an exclusive opportunity for one-on-one, hands-on training at our Chino, California facility. Our workshop is designed to assist physicians in mastering their pain management techniques, thereby enhancing patient health and facilitating recovery.

## DAY 1: SEMINAR

- Learn the latest innovative methods of stem cell harvesting and storage
- Gain an understanding in stem cell biology. Learn the research with the related regulatory & ethical disciplines.
- Learn how a holistic lifestyle (nutrition, diet & exercise) can improve the lives of your patients and increase the effectiveness of regenerative medicine procedures.

## DAY 2: CLINICAL TRAINING

- Learn how to handle and administer FDA registered Stem Cells products and procedures in real time by one of our experienced & successful Doctors on live patients.

## Let Stem Cell Therapy Upgrade Your Practice

Pain Management,  
Orthopedic Treatments,  
& Cosmetic Treatments

## Treatment Benefits

- Reduction in pain & fatigue
- Accelerated healing & flexibility
- Increased energy and stamina
