Objective: stop mass incarcerations NOW!

STOP WRONGFUL CONVICTIONS NOW!

WE HAVE THE ABILITY TO SKIP THE LIES OF LEGISLATIVE REFORM SOMEDAY: AND ACT NOW.

I need your help to bring about equal justice in the legal system.

I merely need to get the word out about jury education, my style.

This is to confront the mass incarcerations by preventing wrongful convictions.

I want to get people to form education groups to save our youth.

Have schools adopt this into a curriculum.

I would like to find some vendors to create promotional items.

Can your group help me change the world?
