

## GDPR Privacy Statement

The information collected and held by REMIND MK is obtained for the sole purpose of providing safe and ethical therapy, and will not be shared with any other parties without your consent, unless the following circumstances apply:

1. You disclose specific details of current or historical child abuse.
2. You disclose that you or someone you know is planning an act of terrorism or other serious crime.
3. You pose a realistic and credible threat to yourself or someone else.
4. Receipt of a Court Order, ordering the release of confidential information.

All of your personal data is stored securely, in line with data protection requirements, and may be kept for up to 10 years following the end of therapy.

Do you agree to your personal information being collected, used and stored in this way?

YES/NO
