

HEART HEALING MINISTRY

HEALING | MIND, BODY, SOUL | DELIVERANCE

HOW TO PREPARE

SET APPOINTMENT

Once donation is received, your appointment will be confirmed. Rescheduling is reserved for real emergencies only. Keep your appointment.

REFUNDS

Donations are going to a non-profit and no refunds can be returned.

FORMS

Have your forms turned in at least 72 hours before appointment.

QUIET & PRIVATE PLACE

Prepare a quiet and private place to speak without interruption. In the car is fine if no other option, but not while driving. Should still be in a private place away from others who may not understand what is taking place. Will explain.

CONNECTION

Most sessions take place via online (Zoom, FaceTime or Duo). Double check that your internet or data connection is optimal. Do a test with a friend or associate prior to your appointment. Video and sound.

VIEWING

It is important that your minister can see your face. Prepare for your device to aim at your face and the lighting to be decent. You should have your hands free. Wash hands and device being Covid conscious.

BEFORE APPOINTMENT

Fasting – A great idea is to fast before your appointment, even if only one meal.

Readiness – Water, Tissues, Hands-free device. *Be On Time* - Be ready 5 minutes early.

Note – Often the enemy will do something to try to prevent you from missing your appointment including not feeling well or technical issues, etc. Unless you have a fever or a real emergency, plan to make up your mind that you will show up for your appointment.

AFTER APPOINTMENT

Some feel light and giddy and others feel like they need a nap and need it now. These are common.

Prepare accordingly.
