**Conflict of Interest Disclosure**

**Purpose**

The purpose of this Conflict of Interest Disclosure is to ensure transparency, integrity, and fairness in the performance of work related to the above-referenced project. Contractors and their affiliates are required to disclose any actual or potential conflicts of interest that could impair, or appear to impair, their objectivity, judgment, or independence while performing duties under this contract.

**Definitions**

A conflict of interest may exist when a contractor, employee or subcontractor:

- Has a financial or personal interest in the outcome of the project;
- Has a close personal or business relationship with any employee, officer, or agent of the Owner/Client;
- Stands to benefit directly or indirectly from the selection, contracting, or payment processes;
- Has obligations to other parties that may conflict with the duties owed under this contract.

**Disclosures**

1 Do you, your firm, or any key personnel have any current or prior financial interest in this project (other than as a bidder/contractor)?

Yes

No

If Yes, please explain: \_\_\_\_\_

2 Do you or any employee of your firm have a family or close personal relationship with any employee, official, or representative of the Owner/Client?

Yes

No

If Yes, please explain: \_\_\_\_\_

3 Are you or any member of your team currently working for or receiving compensation from any entity or individual with a direct interest in this project other than the Owner/Client?

Yes

No

If Yes, please explain: \_\_\_\_\_

4 Do you have any other relationships, arrangements, or circumstances that might reasonably be perceived as a conflict of interest?

Yes

No

If Yes, please explain: \_\_\_\_\_

**Certifications**

I certify that the information above is true and complete to the best of my knowledge. I agree to promptly notify the Owner/Client in writing if any potential or actual conflict of interest arises at any point during the course of the contract.
