

Dear Parents,

We had a wonderful time in March exploring all the colors. It was such fun looking at each other's clothes for the color of the day, mixing paint and noticing all the colors of our world. We are still working on using gentle hands and noticing when we make our friends sad. It is a process, but we are making strides!

April is a very big month for us. We will be making a classroom terrarium and adding all kinds of real creatures to it for our observation. Please notice Monday and Tuesday (the 1st and 2nd) we are asking each child to bring in a Ziploc bag of rocks and/or dirt that you and your child can collect from your yard. It is fun to give the children a sense of ownership and contribution to our terrarium.

On April 22 and 23 we are asking you to bring in 10 filled plastic eggs (no candy please) and an Easter basket for our Easter egg hunt. Just save some eggs from your own festivities and fill them with goldfish, cheerios, raisins, Fruit Loops, or anything you can think of.

School will be closed for Good Friday on April 19 and also for Conferences on April 29 and 30. Be on the lookout for a Sign Up Genius email to sign up for a conference.

We are looking forward to an exciting month.

Thank you for your help,

Julie and Jill
