

Ms. Cindy and Ms. Jamie's January Newsletter

A Peek at This Month!

The month of January was exciting and full of new rhyming vocabulary. The children loved singing Nursery Rhymes and creating colorful art projects about them. We listened to the sounds of rhyming words and how enjoyable our English language is. The children loved creating sparkly stars that we made for *Twinkle, Twinkle Little Star*. The nursery rhyme posters around the room were a new visual experience. Ms. Jamie and I would point to the rhymes as we recited them. The obstacle course that we created was a big hit and was a great gross motor workout. Our large paper crayon collage that we all participated in was a joy and a fantastic fine motor activity! We made play dough and created fun shapes using our hands, strengthening our fine motor muscles. For a cooking experience this month, we made yummy citrus smoothies to drink! In the month of February, we will celebrate Valentine's Day and talk about our love for family, school, and friends. We will learn how to show love for pets and how to care for them! Hermie crab is our class pet and we will take turns observing his ways of drinking water and eating food!

Blessings,

Ms. Cindy and Ms. Jamie

Snack Basket Rotation:

2/4~ Madeline
2/11~ William
2/18~ Bianca
2/25~ Mattie
3/4~ Joey

Snack Basket Suggestions:

Fresh Fruit (washed and sliced)
Yogurt Tubes
Meat and Cheese Roll-ups
Cheese Cubes
Homemade Muffins
Cereal
Your child's favorite snack
