

January 16, 2019 – January 18, 2019

Estimados Padres / Dear Parents:

The children love Pete the Cat books and Quique and Nina found Pete the Cat Five Little Ducks. The book is a different version of the classic Five Little Ducks and it fosters counting numbers and learning subtraction. In the story, the cool Pete invites the ducks to play. Our 'little saints' are very observant, and they noticed that each duck was wearing something different (red shoes, orange shirt, green cap, glasses, red bow tie) and they were able to 'spy' what distracted each duck that did not follow Pete the Cat. For our music segment, we played the song "*Don Alfredo Baila*" and the children delighted in its rapid ending. For our activity, Quique and Nina invited our friends to play a bowling game and to count the pins that each child knocked down. Our vocabulary words for the week are:

jugar / to play
número cuatro / number four
número cinco / number five
número seis / number six
número siete / number seven

Dios les bendiga / God Bless,
Carol
