Ms. Tracy & Ms. Arleen's Pre-K Class

Color Mania

We wrapped up our "color mania" theme by creating our "I See a Rainbow" book! The children have been working hard to create a page for each color of the rainbow. On each page they wrote the color, glued on construction paper and added stickers that match the color. Our show and share this month was a little different. With all the items brought in we were able to build a nature rainbow together. The children enjoyed sharing what they were able to find. We noticed green was the most common item to find in nature, while blue was the hardest.

Letter L

This week we met Ms. L and her longest laugh. We painted with lemons and limes and washed ladybugs and lions. We learned about Roy Lichtenstein and his "pop art." We viewed and discussed his art. The children then created their own Lichtenstein inspired pictures. Just like Lichtenstein, the children used primary colored markers and paint. We decorated black and white photos of ourselves using pointillism (dots) and added onomatopoeia words to their portraits.

Looking Ahead:

→ Ms. Carol has requested that on **Wednesdays in April**, the children wear grungy clothes as the Outdoor Classroom setup will include a "mud kitchen."

Please make sure your child has a *change of clothes in his/her cubby!*

→ Central Florida Zoo **Monday, April 15th** **Please send in permission slips**

→ Easter Celebration will be **Thursday, April 18th**.

We are asking each family to send in 12 stuffed plastic eggs for an egg hunt!

→ No school **Friday, April 19th** in observance of Good Friday.

→ No School Monday, **April 29th and Tuesday, April 30th** for Parent-Teacher Conferences.

A sign up will be sent out soon via sign up genius. Childcare will be available in the Outdoor Classroom.

→ **Snack Helpers:**

-Week of 4/1 William

-Week of 4/8 Wells
