WELCOME TO ALL SAINTS SCHOOL

EDUCATIONAL PHILOSOPHY

At All Saints School we believe that children are God's most precious gift, and we are committed to nurturing them through Christ. We emphasize five interrelated areas that are important for growth: spiritual, social, emotional, cognitive, and physical. We know that the first five years of life are critical to a child's development, and we are dedicated to creating an environment where they are assured of God's love while providing opportunities for their development through discovery and play.

PURPOSE

All Saints School exists to nurture the whole child through Christ. *"Allow the children to come to me, for of such belongs the Kingdom of God."* Mark 10:14

FAITH FORMATION

Faith formation in children starts with their parents and teachers. We incorporate spirituality into the lives of our children by the way we nurture them. Developing trust and confidence and consistently meeting a child's needs in a loving fashion are the beginning of building their faith in God. Prayer is part of each day in every classroom. Christian values and principles are stressed as well as stories from the Bible. Children begin attending weekly Alleluia Chapel in the Older Twos. We feel blessed to be given the opportunity to begin a child's life-long connection to the school environment and to a church family.

OUR FAMILIES

Families are our children's first and most important teachers. At All Saints School we value our students' families and caregivers and place great importance on our relationship with them. We strive to keep lines of communication open through daily notes for our youngest students and weekly wrap-up letters for our Threes, Pre-K, and Kindergarten students. We have Parent Teacher Conferences twice a year and look forward to glean information from our families as well sharing our own observations with them. We welcome parent participation in our class activities, field trips, and Parent Teacher Organization (PTO) events. We appreciate the trust our families have placed in us and work continuously to earn it.

PARENT/CAREGIVER EXPECTATIONS

Episcopal schools are created to be models of God's love and grace. Above all, Episcopal schools exist not merely to educate, but to demonstrate and proclaim the unique worth and beauty of all human beings as creations of a loving, empowering God. All parents, teachers, and staff members are expected to conduct themselves in an appropriate, respectful manner consistent with the values of Episcopal schools as outlined below.

- Respecting and modeling the welcoming, inclusive environment of All Saints School whenever on school premises, at school sponsored events, or when communicating directly with the school
- Treating **all** members of the school community with kindness and respect, setting a good example with speech, conduct, and behavior
- Following all policies and procedures as outlined in this handbook
- Contacting the school directly when a question or need for clarification about a school matter arises rather than depending upon the interpretation of parents or other non-official school sources

LEARNING THROUGH PLAY: CURRICULUM FOR INFANTS AND TODDLERS

'The Creative Curriculum for Infants & Toddlers' is used with our Infants, Ones, and Twos. It is a comprehensive curriculum that helps achieve the very best program for children under three. Research tells us that more rapid brain development takes place during these years than at any other time of life. During this period, children are discovering who they are, how others respond to them, and about their world. They are also learning how to relate to others, what it means to express their feelings, and whether they are loved. Their brains are being "wired" into patterns for emotional, social, physical, and cognitive development. If the interactions children have are nurturing, consistent, and loving, and the experiences they have are appropriately challenging, then our Infants, Ones, and Twos will grow and flourish. In such an environment, children learn to trust and joyfully explore their surroundings, making discoveries and developing a sense of themselves as competent learners and caring human beings.

LEARNING THROUGH PLAY: CURRICULUM FOR THREES, FOURS, AND KINDERGARTEN

'The Creative Curriculum for Early Childhood' is used with our Threes and Pre-K classes. It is the continuum that follows 'The Creative Curriculum for Infants & Toddlers.' It rests on a firm foundation of research and responds to new requirements for addressing academic content. The approach was developed based on the theories and research that inform decision making in the early childhood field. The works of Piaget, Maslow, Erikson, Smilansky, Vygotsky, and Gardner are all implemented in Creative Curriculum. Creative Curriculum helps children acquire social competence and the skills they need to succeed as learners. The philosophy behind the curriculum is that young children learn best by doing. Learning requires active thinking and experimenting to find out how things work and to learn firsthand about their world. In the early years, children explore the world around them by using all their senses. Gradually children become more able to use abstract symbols like words to describe their thoughts and feelings. They learn to 'read' pictures, which are symbols of real people, places, and things. This exciting development in symbolic thinking takes place during the preschool years as children "play." Play provides the foundation for academic or school learning. It is the preparation children need before they learn highly abstract symbols such as letters and numbers. Play enables us to achieve key goals of early childhood development. Play is the work of young children.

Our Kindergarteners continue their learning in a similar way. They are learning the Florida State Standards through authentic, hands-on experiences. They read, write, and explore math, science, and social studies in exciting and meaningful ways, continuing our belief that children learn best by doing and utilizing all their senses. Our Kindergarten curriculum includes the use of Handwriting Without Tears as well as elements of the Orton-Gillingham Approach.

GOALS

Our curriculum identifies goals in all areas of development:

- *Spiritual:* To help children know the love of Jesus Christ.
- *Social:* To help children feel comfortable in school, trust their new environment, make friends, and feel they are a part of the group.
- *Emotional:* To help children experience pride and self-confidence, to develop independence and self-control, and have a positive attitude toward life.
- *Cognitive:* To help children become confident learners by letting them try out their own ideas and experience success, and by helping them acquire learning skills such as the ability to solve problems, ask questions, and use words to describe their ideas, observations, and feelings.
- *Physical:* To help children increase their large and small muscle skills and feel confident and aware of what their bodies can do.

The activities we plan for children as well as the way we organize the environment, select toys and materials, plan the daily schedule, and talk with children, are all designed to accomplish the goals of our curriculum and give your child a successful and joyful start in school. Within each classroom and peer group, all toys and activities are available to all children. The toys, books, and materials in each classroom are intentionally diverse to highlight the beautiful world that God created, redeemed, and will make new.

ALL SAINTS SCHOOL COMMISSION

The All Saints School Commission makes recommendations to the vestry regarding policy and strategic issues pertaining to the school. The Commission membership consists of the school Director and Assistant Director, the clergy representative to the school, the church administrator, the Curriculum Resource Reacher, parent representatives, and All Saints Church members at large. School Commission meetings are held on the second Thursday in September, November, February, and April.

LICENSING

All Saints School is licensed by the State of Florida under license #C09OR0268. We are regularly inspected by DCF and the fire department with unannounced visits three or four times yearly. Our staff meets all licensing requirements including level two background screenings (FDLE and FBI) and trainings.

ACCREDITATION

All Saints School is accredited by The National Accreditation Commission for Early Care and Education, which is managed by the Association for Early Learning Leaders. Early childhood programs accredited by NAC have voluntarily undergone a comprehensive process of internal self-study and invited external professional review to verify compliance with the "NAC for Excellence" criteria. The criteria can be found on NAC's Website at www.earlylearningleaders.org. On the anniversary of accreditation, a lengthy Annual Report is filed. Feedback from the Commission as to compliance or noncompliance is given. All Saints School was also awarded and maintains the Gold Seal for Excellence from the Department of Children and Families since 2006.

PARTNERS

At All Saints we value connection with others, and we are thankful to be involved with the following groups. We are proud to partner with Nemours and the Winter Park Health Foundation as participants in their "Healthy Habits for Life" program, which focuses on teaching preschoolers healthy habits regarding nutrition, physical activity, and sleep. We are thankful to have been awarded a grant from Keep Winter Park Beautiful and Sustainable for 7 years to fund "green" projects at our school. Over the last 18 years All Saints School families have donated over \$55,000 to St. Jude's Hospital through our annual Trike-a-Thon fundraiser.

DRESS CODE

Dress your child in simple, comfortable, washable clothes suitable for the weather. Please label all jackets and sweaters with your child's name. Children should wear shoes or sneakers that fit the child's foot securely. Flip-flops, plastic mesh shoes, Crocs, cowboy boots, or dress shoes do not give your child adequate protection or traction when playing. Children will need a change of clothes for messy play as well as toileting accidents. Helping your child develop self-help skills is an important part of our program; therefore, please dress your child in clothes that he or she can manage on his/her own for the most part.

FOOD AND NUTRITION

- Parents must provide each child with a refillable water cup or bottle every day. **It must be labeled with the child's first and last name.** The teachers will refill it with filtered water as needed and send it home to be washed each day.
- If your child is in our toddler program, please provide a sippy cup for drinking at school. The teachers will refill it with our school's filtered water. All children will be encouraged to sit at the table while drinking from a cup and while eating.
- During the year, teachers will send home a "snack basket" for you to fill with a special nutritious snack for your child's class. It is recommended that healthy, fresh produce and commercially prepared, packaged foods be purchased. This will be done on an alternating basis, giving each child the opportunity to participate. You will be given a healthy snack suggestion list to follow when you receive the snack basket. Filtered water will be served, so please do not include any drinks in the snack basket. Class food allergies will be posted on the basket and communicated to the parents as needed.
- Birthdays and holidays are special, and we enjoy helping your child celebrate. If you wish to provide a special birthday treat at school, let the teacher know in advance and please consider our healthy snack policy. For example, fruit kabobs and whole grain muffins with whipped cream are a festive option. Do not bring written invitations to your child's birthday party unless the entire class is invited. Birthday gifts should not be exchanged in the classroom.
- Each child brings his/her own lunch with a drink to school each day. Make sure to include all needed utensils. Lunches must be appropriately nutritious and safe. Lunch should consist of easy to eat finger foods, avoiding such choking hazards as hot dogs, sausages, carrots, grapes, etc. that are not cut correctly. Please do not send soft drinks, high sugar fruit juices, or candy. If your child cannot easily feed him/herself with a spoon, please do not send foods such as yogurt or soup in his/her lunch. Please remember that refrigerator space is limited, so a cold pack in your child's lunch box will be necessary if it needs refrigeration. **A requirement of DCF is to clearly mark all cups, dishes, containers, bibs, bottles, eating utensils, and lunch boxes with your child's first and last name.**
- **Florida Administrative Code Chapter 65C-22.006 requires that there be signed statements from the custodial parents or legal guardian that their childcare facility has provided them with information on the childcare facility's food and nutrition policies that includes language on food safety and food allergens.**
 - If All Saints School provides or makes available food to children in care from an outside source such as a caterer, or as the result of a learning activity provided by our school such as our garden, it is

the responsibility of All Saints School to ensure that all food intended for consumption by a child in our care is in sound condition, free from spoilage and contamination, and safe for human consumption. A copy of the license or permit for caterers is kept on file at the school.

- All Saints School maintains a food acceptance log for all pre-prepared meals being transported into the school.
- Parents or legal guardians are advised in advance of each food-related activity, such as special occasions and learning activities which include food consumption. Written parental permission may be obtained in the form of a general or specific permission slip.
- Parents are informed of food related activities as follows:
 - Classroom Holiday Parties – through wrap-up letters and sign-up sheets
 - Field Trips – through wrap-up letters and class calendars
 - Birthday Celebrations – through wrap-up letters and class calendars
 - Learning Activities and Other – through wrap-up letters and class calendars
- If a special diet is required for a child by a physician, a copy of the physician's order, a copy of the diet and a sample meal plan is maintained in the child's file and followed. If the custodial parent or legal guardian notifies All Saints School of any known allergies, written documentation is maintained in the child's file for as long as the child is enrolled at school. Special restrictions are shared with staff and are posted in a conspicuous location.
- Snack menus are posted at the beginning of each month on the classroom doors. Snack menus are maintained for the year.
- Documentation of parental permission for field trips and food activities/special occasions is retained for a minimum of four months.
- Written documentation of known food allergies is retained for as long as the child is enrolled at school.

BPA-FREE PLASTICS

BPA-containing plastics are commonly used in food containers, baby bottles, and other items. Some research has shown that BPA can seep into food or beverages from containers that are made with BPA, which is a concern due to the possible health effects on infants and children, their behavior, as well as other possible links between BPA and increased blood pressure, type 2 diabetes, and cardiovascular disease. **Families are encouraged to use baby bottles, sippy cups, and water bottles that are labeled "BPA-free."** When applicable, All Saints School uses glass containers or BPA-free plastics to store snacks.

DISCIPLINE POLICY

The word discipline means 'to disciple or teach.' Our goal is to teach and guide children until they can self-regulate. We will begin this process with the youngest children by setting up an environment that allows for sufficient space and duplication of materials, providing redirection when necessary. Through language, role modeling, and praise, children will be encouraged to cooperate. As children gain social skills and understanding, they will be given choices and age-appropriate rules with logical consequences followed by learning appropriate negotiation and problem-solving skills. A supervised time apart from a situation may sometimes be necessary. The ultimate discipline comes from within and does not depend on external rewards or punishment. We will begin that process with your child while at school. We will ask parents to work together with us to achieve these goals.

We reserve the right to require a parent to come to the school to pick up any child who is especially unruly during the school day.

In the event of continual (for 3 consecutive weeks) disruptive behavior such as biting, scratching, excessive hurting of another child, etc. and/or developmental concerns that are impacting a child's ability to function in the classroom setting, the following steps will be taken:

- The Director will contact the parent/guardian to schedule a meeting
- During the meeting, a plan will be discussed regarding how to best meet the child's needs
- The plan will be put in writing and signed by the Director, classroom teachers, and parents
- A follow-up meeting will be scheduled to revisit the plan and discuss any further action that may be necessary

When an incident or accident occurs, the teachers will fill out an Incident/Accident report for any involved children. This form records the information of the incident and what immediate steps were taken. You will receive the completed form and be asked to sign, date, and return it as acknowledgement. This form must be returned to school on or before your child's next day of attendance.

All Saints School reserves the right to immediately dismiss any child from the program whose behavior creates a significant risk of harm to the health and safety of other children or staff. The staff and administration must be in agreement that one or more of the following conditions are present in order to suggest dismissal: the child's behavior is significantly harmful to himself or to the other children or staff in the program, the child is consistently disruptive to the total environment, the child's needs could best be met in a specialized program not provided by All Saints School.

FIELD TRIPS

Periodically the Threes, Pre-K, and Kindergarten classes will travel for a field trip off campus in parent or staff vehicles. You will receive specific information from your teachers prior to the trip. We respectfully request that if you participate as a chaperone on a fieldtrip, **siblings not attend**. Your attention should be with your child and his/her classmates as you help the teacher. Each child must wear the All Saints School t-shirt.

TRANSPORTATION

If your child is in the Young Twos (Young Twos morning drop-off only) or Older Twos class and older, you may use our car line (off Lyman/Interlachen, turn into the driveway just behind the school). Please do not turn into the driveway from Lyman/Aloma as requested by the City of Winter Park. In the morning you may drop your child off in the car line anytime between 8:50 and 9:10 a.m. One of our staff members will greet your child and take him/her to their classroom. In the afternoon you may pick your child up in the car line between 1:50 and 2:10 p.m. One of our staff members will bring your child from his/her classroom to your car.

When using the car line, it is important that all parents remain in their vehicles. Traffic cannot be blocked. No double-parking in the car line driveway will be allowed and absolutely no passing. Please be patient. If there is heavy rain, thunder, or lightning, there will be no car line. You will need to walk in to pick-up your child from his/her classroom. There will be a \$15.00 charge for late pick-up. Please remember the car line is not the time for a teacher conference or a prolonged conversation. **Cell phone use is not allowed in car line.**

If using car line, you must have the appropriate sign displayed in the front window on the left side of the car. The sign must have your child's full name and classroom number on it. Every family will receive a carline sign; please email Gena and let her know if you will need additional signs. There are a set of rules on the back of the sign that must be followed when using car line. **Please note that teachers and staff can unbuckle children to take them out of the car in the mornings, but may not buckle children into the carseats in the afternoons.**

Some parents may be uncomfortable using the car line. They are *always* welcome to walk their child to their classroom. To do this, please use the parking lot on Lyman Avenue behind the school.

ANTI-IDLING POLICY

The Anti-Idling Policy is part of All Saints School's commitment to creating a healthy and sustainable environment for our families, students, and staff. Idling vehicles contribute to air pollution and emit air toxins. Exposure to elevated levels of these pollutants can cause an increased risk of developing asthma, respiratory problems, and other adverse health effects, especially for children whose lungs are still developing. Limiting a vehicle's idling time can dramatically reduce these pollutants and our children's exposure to them. Therefore, we ask that all drivers turn off engines when they arrive at school and expect to be parked for more than 1 minute. If idling is necessary for temperature control, please restrict it to no more than 5 minutes. This policy has been implemented to reduce the students' exposure to air toxics emitted in the exhaust of idling vehicles.

PESTICIDES

At All Saints School, Integrated Pest Management (IPM) techniques are utilized to control pests, including insects and vermin. Classroom garbage cans are emptied multiple times a day, and outdoor garbage cans are emptied once daily. Pesticide application occurs the third Wednesday of every month, in the afternoon when no children or staff members are present on campus and more than 12 hours before children and staff members will return to campus. Families and employees are notified in advance of the application.

CLASSROOM PETS

Some classrooms at All Saints School include a class pet. We feel that the opportunity to care for another creature is important as it fosters empathy and responsibility for our young learners. There is a sign posted on the door of each room that has a pet. Please notify the classroom teacher or administration if your child has an allergy to the class pet.

PHOTOGRAPHS

Professional color individual photos and class group photos are taken each Fall by Jen Adams. Black and White 'Tom Marshall' photographs are taken of each child in January. The purchase of these photos is at your discretion. Throughout the school year a variety of photographs are taken of the children as they are involved in their daily activities, on holidays, and during special events. These are often displayed in the classrooms and/or used in the memory books. On occasion these photographs may be used in the creation of a brochure or other publicity or articles. We may also use your child's picture on our All Saints School website and social media accounts (Facebook and Instagram) as well as in professional journal articles and presentations. Parental approval is required under 'Media Consent' on our Parent Handbook Receipt Acknowledgement.

MEDIA CONSENT

All Saints School teachers and staff photograph classroom and school activities and parties. These photos are sometimes used on the All Saints School and Church websites, in the School and Church newsletters, and on the School and Church social media pages (Facebook and Instagram). The photos may also be used in professional articles in teaching journals and/or during presentations at professional conferences.

On the Parent Handbook Receipt Acknowledgement, please indicate whether you **Do** or **Do Not** consent to the use of photographs and/or video footage of your child on the All Saints School and Church websites, in the School and Church newsletters, and on the School and Church social media pages as well as in professional articles in teaching journals and/or during presentations at professional conferences.

This consent may be withdrawn by the parent or guardian at any time upon written notice.

SECURITY

All gates and doors at all entrances to the school remain closed and locked during school hours, and only the breezeway doors will be open during arrival (8:50-9:10 a.m.) and dismissal (1:50-2:10 p.m.). When entering and exiting campus, all families must use the breezeway gate only. By limiting our entrance to one central area we are able to monitor access to our campus.

In addition, we work with the Winter Park and Maitland Police Departments on scheduling an off-duty officer to be on school property during as many school hours as possible. We remain in close contact with the WPPD to stay apprised of updated safety measures and opportunities.

We will not allow anyone other than a parent or designated adult to remove your child from our facility. Parents must provide us with names and current phone numbers of designated adults who may remove your child in your absence. If you are carpooling, we must have a written note or email informing us of the driver. Persons whom staff members do not recognize WILL be asked for identification, even if they are listed on your card as a designated adult. If there is a change in your pick-up procedure you must write or call us to let us know. Further, the Director, Assistant Director, or teacher who speaks to you on the phone MUST be able to recognize your voice.

Additional safety measures and policies include:

- All persons visiting the school must first check in with the school office.
- Outside of arrival and dismissal times, all gates and doors are to be kept closed and latched at all times. Security begins with each one of us. We expect all parents to help us by closing all gates behind them after entering or exiting the school area.
- Very important! Teachers will sign your child in each morning and out each afternoon. Arrival and dismissal can often be a busy time; make sure you are fully focused on your child and the teacher or staff member who is assisting you. Once you pick up your child or your child is brought to you in carline, you are responsible for your child.
- Only parents/guardians or teachers/staff may open classroom doors.
- Voluntary Pre-Kindergarten (VPK) parents must sign their child's VPK Attendance Form each month. The forms will be available for your signature within a week following the end of a month.
- Keep your children with you! It is easy to begin talking to other parents and stop paying attention to your child. Do not allow them to run around the school or carline unsupervised as you converse with other parents. This is unsafe.
- Never park in fire lanes, in front of fire hydrants, or in spaces reserved for the handicapped or clergy even if only for a few moments.

EMERGENCY PROCEDURES

We conduct fire drills once a month throughout the school year. These drills are required by both DCF and The Winter Park Fire Department. In case of a fire, each class will follow the appropriate evacuation route (posted inside each classroom) to our safe area. The classroom teachers bring the daily classroom sign-in sheet with them so that we know who has checked in for the day. The office staff and specials teachers help get all of our children to safety and bring the master emergency contact book with them. Once the building has been cleared, we can return to the rooms. We also practice using our secondary routes at various times during the year.

In case of severe weather (such as tornadoes) all classes proceed to the basement of the church, which is located underneath the Parish Hall. Once again, the teachers bring the classroom sign-in sheets, and the office staff brings the emergency contacts. We practice our severe weather drill several times per year.

In case of a "crisis situation" we have a lockdown procedure. All classrooms are notified by intercom and radio to begin the lockdown and do not unlock rooms and resume normal activity until notified. We conduct lockdown drills several times a year and during different times of day.

In case of evacuation, we have secured a very close off-site location for safety. The teachers and office staff would escort the students to the location. Families would be notified from there if needed via text, email, and possibly phone calls.

Teachers and office staff bring cell phones and 2-way radios to all emergency drills and events. We will have many drills at the beginning of the school year so that the children become accustomed to moving quickly without being scared.

COMMUNICATION

Our staff excels at communication, and their written communication will take different forms depending on the age of your child. Examples include monthly calendars, weekly wrap-up emails, and daily "My Day" forms.

'Building Bridges' is our school-wide newsletter. It is sent electronically each month, September through May. Please inform us if you would prefer to receive a paper copy. Emails are sent from the administration as needed. We also update our website and social media accounts frequently. Please check them for the most current information.

Formal Parent Teacher Conferences will be held in the Fall and the Spring. Please check the calendar in this handbook for the specific dates. Our staff and the Director are always available for parent-initiated conferences at any time throughout the year. We respectfully ask that these be scheduled and most importantly, not occur in the car line or during arrival and dismissal times.

We also communicate school-wide through email and text alerts. The texts are primarily used to disseminate information in a timely manner for weather or lockdown situations. It is occasionally utilized for reminders.

ALLELUIA CHAPEL

Alleluia Chapel is held weekly for our Older Twos, Threes, Pre-K, and Kindergarten classes. Led by our school chaplain, Rev. Lo, Chapel is approximately fifteen minutes and consists of music, prayer, and a short lesson. Families are welcomed and encouraged to join for Chapel. Your child's Alleluia Chapel schedule will be included on his/her monthly calendar.

GRIEVANCE PROCEDURE

Customer Service is very important at All Saints School. Your family is the reason we come to work every day. Our staff welcomes any suggestions for improving the quality of care of the children. If areas of concern arise and they pertain to your child or the classroom, please first bring the concern to the attention of the classroom teacher. She will listen to your concern and attempt to work through it. If the issue is not resolved satisfactorily or there are other concerns regarding the school, please call the office. We will work together to bring about a solution.

PARENT INVOLVEMENT

We have a wonderful Parent Teacher Organization (PTO) at All Saints School, and we encourage everyone to participate. It is a great way to make friendships, build community, and be part of your child's education. Research tells us that the earlier and more involved a parent is in their child's education, the more successful their child will be in school. Our school has many opportunities for you to become involved:

- PTO meetings
- Room Parent
- Library Volunteer
- School Commission
- Classroom Volunteer
- Fundraisers
- Working on holiday events
- Attending Chapel with your child
- Working as a paid substitute in a classroom

Little children were brought for Jesus to lay his hands on them and pray. But the disciples scolded those who brought them. "Don't bother him," they said. But Jesus said, "Let the little children come to me, and don't prevent them. For of such is the Kingdom of Heaven." And he put his hands on their heads and blessed them before he left.
