

June 29, 2020

Dear All Saints School Families,

All Saints School is committed to the welfare and safety of your children, your family, our teachers and staff, and the wider community. For the past four months, we have strived to make wise decisions while adapting to a reality that changes daily.

Aware of the exponential spread of COVID-19 in our community, we have made the difficult decision to cancel our July summer camp. This decision was made in consultation with our parish rector and wardens, school administrators, and local healthcare advisers. While we would love nothing more than to serve our families this summer with a joyful memory-maker like summer camp, it is not prudent.

We want to assure you that we are working on careful, safe, wise, and loving plans for this Fall. Updated teacher training and policies and procedures are in place to maximize the experience and safety of our little saints. Over the past four months, planning and logistics for the 2020-2021 school year have been reviewed and shaped in conversation with medical professionals, church and diocesan leadership, local and national professional organizations, and our city-wide school directors' group.

All summer camp deposits that were made will be returned via mail. If your deposit was paid in cash, please make arrangements to stop by the office to be reimbursed.

We truly appreciate your trust and faith in us as we prepare for the upcoming school year and are continually grateful that you've chosen All Saints School.

All of us send our deepest thanks for your commitment and support.

Emory Messeroff
Director, All Saints School

Rosemary Johnson
Assistant Director, All Saints School

The Rev. F. Stuart Shelby

Rector, All Saints Church

The Rev. Russell J. Wohlever
School Chaplain, All Saints Church
