

Sandusky Valley Amateur Radio Club W8NCK

The SVARC, an affiliated club, offers First time and upgrade licensing exams. The 2026 schedule is:

February 28

April 25

May 23

August 29

September 26

November 28

These exams are held at the [Sandusky County Chamber of Commerce building, 1245 Napoleon St., Fremont, OH](#). The test time is 9:00 AM Eastern Time. There are a number of things that need to be brought with you to the session. You need to have an FRN, Federal Registration Number, and an email address. Those are required by the FCC. Also needed are \$15 fee, a photo ID, and a license if you already have one, expired or not. You do not need to pre-register, but it helps if we know that a candidate is coming. We do take walk-ins. More information and details for these items can be found at:
