

# Edelweiss Biergarten

## **Spaten Premium Lager** Lager+5.2%+St. Louis, MO

Crystal clear, light, and pale golden colour. Spaten is the lightest beer we offer. Coming out of America, it is our closest to a domestic.

## **Bitburger Pilsner** Pilsner+4.8%+Bitburg/Eifel

Brewed for almost 200 years in accordance with purity laws, it is the most popular pilsner in Germany. Crystal clear, sunny straw coloured beer that is a little bitter and hoppy.

## **Hoffbräu Original** Helles Lager+5.1%+München

Crystal clear, golden body with a balance of hops and malt flavours finishing with a slightly bitter note. A perfect example of a Münicher Helles.

## **Hoffbräu Dunkel** Dark Lager+5.2%+München

A dark, copper coloured beer with a cream coloured foam. Touch of sweet molasses bread notes. Perfect for amber drinkers.

## **Warsteiner Gold** Kellerbier+5.2%+Warstein

A new, unfiltered kellerbier! Hazy, golden colour. Smooth, malt flavours with hints of caramel and honey. Not quite full bodied, but heavier than filtered lagers.

## **Warsteiner Dunkel** Dunkel+4.8%+Warstein

Dark amber in colour with light coloured foam. This clear beer comes with notes of toasted almond, cocoa, and a hint of leather.

## **Celebrator** Doppelbock+6.7%+Aying

Our darkest beer on tap. Full bodied, with creamy foam, this beer comes with some chocolate and coffee notes. Stout drinkers look no further than here!

## **Paulaner Hefeweizen** Hefeweizen+5.5%+München

Naturally cloudy and silky gold with dense white foam, this classic hefeweizen has a mild aroma of banana. Recommended for first time German hefeweizen drinkers!

## **Weihenstephaner** Hefeweizen Hefeweizen+5.4%+Freising

From the oldest brewery in the world! This golden yellow beer has a great haze to its body and refreshing banana notes. If they're not doing it right, we don't know who is!

## **Franziskaner** Hefeweissbier Hefeweizen+5%+München

Hazy gold when poured, this lush weissbier has an elegant white foam and strong banana and bread notes with hints of pepper and clove.

## **Schneider Wiesen** Edelweiss Hefeweizen Hefeweizen+5.4%+Kelheim

A weissbier and festbier! With an orange, hazy body and dense white foam, this beer has those famous banana notes, as well as hints of pepper, cloves and apple.

## **Weihenstephaner** Hefeweizen dunkel Dunkelweizen+5.3%+Freising

This dark weissbier has a lovely white foam, those heavenly banana notes appear once more with hints of roasted malt, cloves and a slight caramel taste. A complex beer worth trying if you're a fan of weissbier!

## **Schneider Wiesen** Aventinus Eisbock+12%+Kelheim

Made with a special freezing process, this dark weissbier has a deep body and strong flavour while remaining elegant. Spicy plum, banana and clove flavours make themselves known with a hint of bitterness.

## **Warsteiner Oktoberfest** Wiesnbier+5.9%+Warstein

Amber like in colour with a uniquely soft, and has a malty sweetness to it. Ends with a bitter hoppy finish. A great fest bier!
