Lucky me! I received my ballot for the South Kitsap School District Levy in the mail the other day.

If you are in our district area, you have the opportunity to support our schools. This is not a new tax, it is an ongoing reinforcement for our schools. We are so blessed to have excellent educational opportunities for our students, top quality educators, amazing support personnel (paraeducators, bus drivers, food servers...), a knowledgeable and caring board. Not only does your yes vote provide our students (our future) with excellent educational opportunities, well funded schools keep the value of our homes and property robust and competitive.

Join me in voting yes for SK!
