I wish my son/daughter to take part in football coaching sessions with Pluckley Football Club and, if selected, to take part in league/cup/friendly matches representing the club for the 2025/26 season. Should the necessity arise, I agree to the person(s) in charge of the session being given consent on my behalf for an anesthetic to be administered or for any urgent medical treatment to be given.

Each player will be given a club shirt, shorts and socks to wear for games and is expected to keep these in a good clean condition, subject to wear and tear. The kit remains the property of Pluckley Football Club so if lost or damaged the club reserves the right to request payment for replacement or repair and all players are required to return the kit if they leave the club at any time.

**When completing this registration form, please arrange payment of £30 by bank transfer being a one-off registration fee for the season.** This fee covers league registration and insurance costs. Players will also receive a numbered black Pluckley FC training top.

**Player's subs are due on the 1st of every month from September through to May inclusive (9 payments) at a rate of £25 per player.** Siblings who are also registered with the club will receive a reduced rate of £20 per month for each additional player. **Note - It is an essential term of this registration that monthly subs are paid on time.**

If paying to our bank account by direct debit/standing order/bank transfer the bank details are :

Persistent non-payment of subs or falling behind by more than 2 months could, at the club's discretion, result in a player being unable to play until such subs are brought up to date and if they leave the club with any subs debt their registration with any other club will be refused by the relevant League/s and under Football Association rules until such amounts are brought up to date. Any disciplinary fines (such as for yellow and red cards) are payable by the player as per the joining rules.

Pluckley FC recognises that financial circumstances can sometimes be an obstacle to children participating in sport. As a community club, we seek to assist any families who may be in this position. Please contact us in confidence should meeting regular subscriptions be difficult and we will do all we can so as not to disadvantage any child.

By signing this form you agree to be bound by these terms and acknowledge the Club Joining Rules, Social Media Policy, Code of Conduct and Club Privacy Notice.
