Volume 23, Issue 2

*Half the fun is getting there and here are a couple of shots of MGs on the way*

GoF West 2016 turned out to be a very nice event as anyone who was there will attest. Beautiful countryside, nice resort, GREAT MG owners and of course mighty fine MGs too. There were about 82 registrants with MGs from a '33 J2 all the way up to the sporty B's. 28 different car clubs were represented there. It was nice to be able to visit with almost everyone (one of the benefits of not having a massive crowd). Everyone was friendly and had a fantastic time.

*Car Display showed off all the MGs in great fashion*

All the different events went smoothly, with no long lines to get into anything as volunteers kept things moving and organized.

Thanks to the roughly 150 in attendance who came (82 registrants), participated, helped, and made this such a wonderful gathering.

A special thank you to the following people for sharing photographs. Many were used in the slide show at GoF and in this Gazette. Check out GoFWest.org for many more pictures from Redmond.

# Thank You

# Thank You

# Thank You

Many thanks to the organizers of the gathering, Mike Campbell and Larry Long, for without them GoF West 2016 would not have happened. Of course they could not have done this without help and one of the biggest group of helpers came from Mike's fantastic family.

Daughter Carrie Cardenas with her husband Hector and their son's Dominic and Gabriel. Mike's son Scot, his girlfriend Juana Plazola and sons Kevin and Erin. Thank you Campbell family for your outstanding efforts and we all had a better time for it.

Other helpers in alphabetical order include who in some way gave a little bit of their time or even a lot of time:

Jim & Karen Bull  
Gorden Bundy & June Wennkamp  
Marcia Crawford  
David & Joyce Edgar

**GoF West 2017 is shaping up to be a WONDERFUL EVENT, and we certainly do hope you will make plans to be at Santa Maria, California come July 10-14**

**I**t will be loads of fun meeting up once more with MGs from all over the west (some from farther away too). We have volunteers from multiple MG clubs helping to make the 44<sup>th</sup> GoF West to be one of the best ever. [Wish we could say the BEST, but we don't think anyone could top the 2013 GoF West in Carefree]

**S**anta Maria is situated in a lovely area with sea breezes to help cool it off. The average weather for the area at that time of year is highs of 72° to 73° with a low of 54°...how is that for perfect MG weather??? There is an abundance of GREAT MG roads to travel, lots of local history, and the Radisson Hotel is a wonderful venue to meet and share our common MG interest. We don't want to "waste" Monday, so there will be a guided TOUR of the local area in the afternoon along with self-guided tour route sheets to see the local sights. Our Santa Maria expert Jim Bull promises there is so much to see without going on the same roads that he uses for the rallye... Perfect weather and perfect roads, save the dates now.

**A**s many of you know, the past couple of years no clubs have volunteered to take on the coordination of a GoF West. Individuals have stepped forward and the traditional gathering is made richer by so many people coming together to put this event on based on our common MG interest, not limited by club membership. For those that have already volunteered

for 2017 and those that will volunteer in the future, THANK YOU! Expect this GoF to be a blending of tradition with change.

~~**ORIENTATION?**~~ Gone is the orientation meeting. For 2017, it will be a **WELCOMING PARTY**. Yes we will still go over the week's activities but the main focus will be to welcome everyone, especially the First Timers. Their cars will be on display as we enjoy a low cost Santa Maria BBQ dinner. Please plan to be there.

**C**AR DISPLAY - Of course we will have the usual display of all the MGs with voting, but our twist is to insure volunteer and participant comfort. The display will be in the hotel auxiliary parking lot, so close enough to walk back and forth from hotel facilities. We will be providing shaded areas to sit and visit, water and music. The crew primarily from the TC Motoring Guild that handled the car photos and parking in Redmond will be back with us in 2017. If there is interest, we will sell high resolution digital images of your car on a flash drive, which you could use to have posters or smaller photos printed.

**R**ALLYE - We encourage you to go on the route just to see the lovely surrounding area, and do hope you will find at least some of the answers to the posed questions. But answering the questions is not a requirement (unless you want to place in the competition), but we will welcome creative answers too. We just want you to have fun (and stayed married if that applies).

**F**UNKHANA - We know that this is not everyone's forte, so if you just want to have fun and drive the course without any blindfolds, spilling water, or leaning out of the side of your MG, then please do so. Just have fun and let the rest of us enjoy watching MGs in motion. But if you are out to get an award then, be prepared to be

put to the TEST (even if you are blindfolded, challenged or need to carry a tune). Actually we do not know what this event will look like yet, we are still looking for some creative people to build the course. Give us a call (or email) if you are willing to help.

**A**UCTION – as many of you know, the people donating and purchasing auction items provides the funds to keep the GoF West events going. The first “auction item” for 2017 was the #1 registration auctioned off in Redmond at GoF West 2016. We thank Bob Ford for his generous winning bid of \$300 for the privilege of being #1. The Sorry Safari Touring Society has come up with a dynamic auctioneer with a fantastic voice and sense of humor. He married into an MG family and is looking forward to making the auction night fun and profitable. In Redmond, we piloted putting photos of the items being auctioned on a large screen. It was well received there and will be improved in Santa Maria, with the room set up for better viewing. We could sure use some help with the collection and organization of the Auction. Please give us a call (or email) if you are willing to help.

**D**INNERS – We will have auction and award dinners at hotel. Their food is great, but exact menu and prices won't be known until after the first of the year. We expect to send out notices to all registrants about food choices in February 2017. Our twist for 2017 is to allow you to reserve a table of 10 (all meals will need to be paid for before the table assignment is made). So if it is important for you to be with specific people, plan ahead.

**O**THER ACTIVITIES, include the Monday guided tour and individual Route Sheets for self-guided touring [thank you to GoF West 2015 for the idea], the Arts & Crafts & Photos displays, Tech Sessions, Carless Funkhana and Bunco. Did you know that Bunco originated in 19<sup>th</sup> century England? We are still investigating other activities. Please let us know if you have ideas and the talent to make it work.

**T**he Co-Chairs of this GoF West in 2017 are David and Joyce Edgar, members of the TC Motoring Guild. We are picking up from the advance work to find a site, get the logo and financial projections, which was all done by Larry Long and Jim Bull. We thank them for their initiative, as this would not have been happening without it. We are enjoying the planning process and want to thank the following for offering to take on lead roles in organizing this event: Jim & Karen Bull, Terry Schuller & Dave Reid, Rick & Jill Pullen, Gordon Bundy & June Wennekamp, Nelson Howard, Gordon & Mimi

Glass, Steve Kellogg. Special thanks also to Robert Ford and Malcolm Buckeridge who will be sharing their expertise in our tech sessions. We have lots of room for more volunteers who can help out a little or a lot (your choice). Please let us know if you can help and we will find a place for you. Just let us know your wishes or limitations.

**C**ontact your co-chairs, David & Joyce Edgar at [GoFWest2017@gmail.com](mailto:GoFWest2017@gmail.com) or 619-593-8255

## A Message from Our Steering Committee Chair

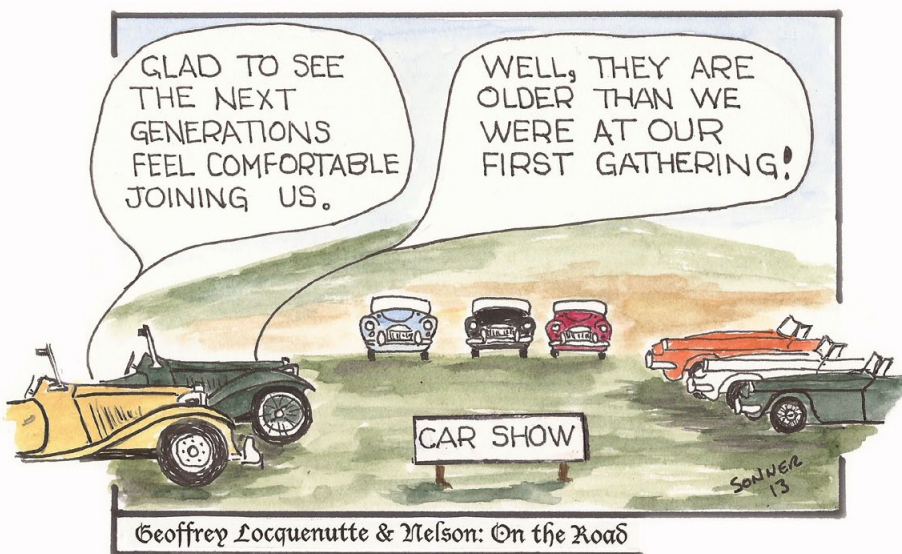

Speaking for the 150 , or so, aficionados attending GOF 2016 at Redmond, Oregon. I would like to thank Mike Campbell and Larry Long and to Mike's family for all the work they did to make GOF 2016 a truly memorable event.

The latter part of this month Steering Committee member Jim Bull will meet with Tom Doyle, a possible chair for GOF West 2018 at Lake Tahoe to work on details, including site selection suggestions. After receiving their report will see if the Tahoe area pans out as a location.

In the last few years a pattern has developed whereby rather than a single club putting on a GOF, individuals have stepped up to do the heavy lifting. 2017 GOF is being done by the "tag team" of David & Joyce Edgar. Things are progressing nicely but, opportunities to help out still exist. David & Joyce are updating MG car club records to insure communication with potential participants.

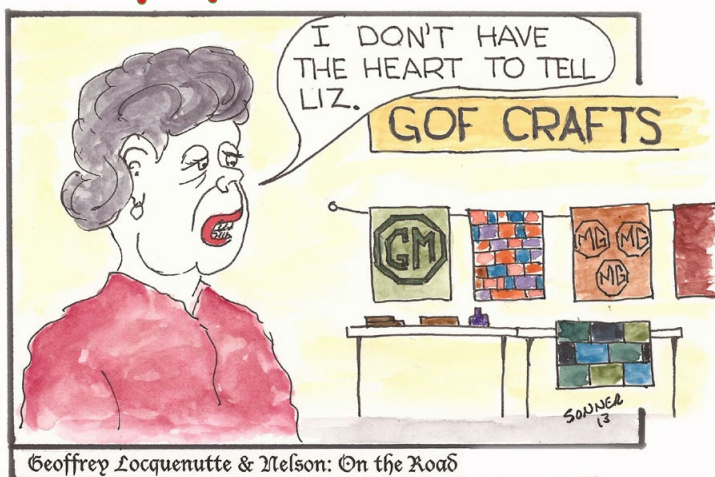

Your suggestions are always welcome and we promise to laugh at your jokes.

Ciao, *Gorden*

### MG RELATED CRAFTS, PHOTOS, COLLECTIONS, MODELS

We all have some related MG crafts, photos, collections or models and we would love to see what you have. You could even win an award as many have before. So dig through your photos, (beautiful, funny, or creative), start or finish up that craft you have been delaying. The only things that are not eligible for an award are items that have won a GoF West award in the past. Details on the different classes to come in next Gazette

# Future GoF West Events

Planning of West 2017 is well under way and shaping up nicely as you can read in the report on earlier pages of this Gazette. However we usually like to look three years ahead in planning and we are lagging in the long range planning right now as nobody or club has expressed interest in hosting or even suggesting areas. While nothing definite is set, we have been thinking of somewhere in the Lake Tahoe general area for 2018, but that is only general talk and far from being set in stone at this point. If we had commitments there, or in other general areas, we would be most happy to consider those more deeply. So think about where you would like to see a GoF West and if you, or your club, would like to bring GoF West there.

## GoF West Steering Committee for 2016-2017

Gorden Bundy

GoF does just not happen. It takes some planning and work. The Steering Committee's responsibility is to guide the direction of future events and help with present ones.

The committee is composed of seven elected members (elected by participating club representatives) to serve three year terms which overlap. Because of a lack of club representatives at the last Advisory Council meeting, we were only able to fill this year's SC with six members so we will have to do with that for the year. Newly elected members are Gorden Bundy and Larry Long. Lane Rollins, Steve Kellogg and Jim Bull are overlapping and on their second year while David Edgar is on his third year now.

If you have ideas for future GoF's we would love to hear from you. Contact info can be found at [GoFWest.org](http://GoFWest.org)

# Advisory Council Minutes

## GoF West 2016 – Eagles Crest Resort

### Thursday, June 30 2016

The meeting convened at 1:15 pm. Steering Committee members present were Dave Edgar, Mike Campbell, Steve Kellogg, Lane Rollins, Jim Bull, Pete Thelander, Larry Long (Co-Chair of GoF West 2016) and Joyce Edgar (Co-Chair of GoF West 2017).

Clubs in attendance with representatives were:

MG Owners Club – Steve Kellogg

Vintage MG Club of SC – Roy Jones

TC Motoring Guild – Gorden Bundy

Paradise British Car Club – Karen Bull

British Motor Club of Utah – David Machovec

Sorry Safari – Robert Engelhart

Secretary's Report: Minutes of the 7 Mar 2016 Tele-con were published by email. A motion to accept was seconded and passed.

GoF West 2016 Comments: Comments from the floor were largely complimentary. There were suggestions that more trash receptacles and water would have been appreciated at the Car Display. It was also noted that there was no lunch available at the hotel. The Flea Market was too early. There were no activities for the ladies. These were all good suggestions, but there were no volunteers willing to head them up. There was a brief discussion of lanyards vs. string for name

badges. Clarification of whether "First Timer" refers to the person or the car was requested and forwarded to the Steering Committee.

GoF West 2017: Registration would be available at the Winner's Circle and on line. Payment can be made by PayPal. Larry Long will continue to be liaison with the hotel. Karen Bull has volunteered to do Hospitality and Jim will do the Rallye. Steve Kellogg will do Awards. But a number of Activity Chairs are still open.

GoF West 2018: Tom Doyle has expressed interest in doing it at the Cal-Neva Lodge on Lake Tahoe.

Steering Committee Membership: Mike Campbell and Pete Thelander have completed their three year terms in office. Jim Bull, Lane Rollins and Steve Kellogg to serve in 2nd year of their three year term. David Edgar to serve in 3rd year of his three year term. Gorden Bundy and Larry Long were nominated to fill the vacancies and were duly elected.. Joyce Edgar serves on the SC as a co-chair for GoF West 2017. Note that due to a low turnout at the Advisory Council meeting, we were not able to fill the SC to the full seven elected members and thus are one member short at this time.

Adjourned: 2:10pm
