MONTHLY NEWSLETTER | GLENBURN AND LANSFORD | NOVEMBER 2022

Dear Friends,

November is one of my favorite months. The weather is getting colder. It's time to bust out the sweaters and sweatshirts for the season, and November is the month where we get to celebrate Thanksgiving. I love Thanksgiving. This holiday was always a special time in our family. It was the holiday that we spent with our extended family. We moved several times when I was growing up, and it was always fun to see family on this day, even if we lived a distance away.

I also like this holiday and this month because it is often set aside as not only a day but a month of giving thanks. Last year, I challenged myself to find something each day for which I was thankful. As the month went on, I took the challenge a step further, I challenged myself to find something small each day for which I was thankful. Maybe it was the women in the check out line who chatted with me or maybe it was the funny joke that a kid at Kid's Club told me. You get the idea – something little.

So, my challenge for this month is to join me on this daily thankfulness challenge. My prayer is that gratitude will grow in your lives and your hearts and minds will be open to the amazing blessings that God places in our lives each and every day. If you get a chance, follow me on Facebook as I post each day about what I have seen. Feel free to share your thankfulness with me.

May you have a month full of God's blessings!

Blessings,

Pastor Martha
