## Nights of Christmas Update

Because of the ongoing uncertainty caused by the COVID-19 pandemic, we do not yet have a finalized plan for what – if anything – we will be able to provide for Nights of Christmas this year. It is especially disappointing because this is to be our 50th anniversary of Nights of Christmas festivities. Rest assured though, whether it is this year or next, we will have an epic celebration planned for us to share!

We will not make any final decisions about our 2020 Nights of Christmas program until after Thanksgiving. At that time we will be sure to spread the word via our website and social media. Thank you for understanding and – if it is possible – we hope to see you at Nights on Dec 27-29.

A blast from the past! Century III Appreciation Night at the 1986 Nights of Christmas
