Pedigree

You only have to look at his pedigree to understand why Bolero is such a class act – a rare combination of Accoyo, Surilana and Surico.

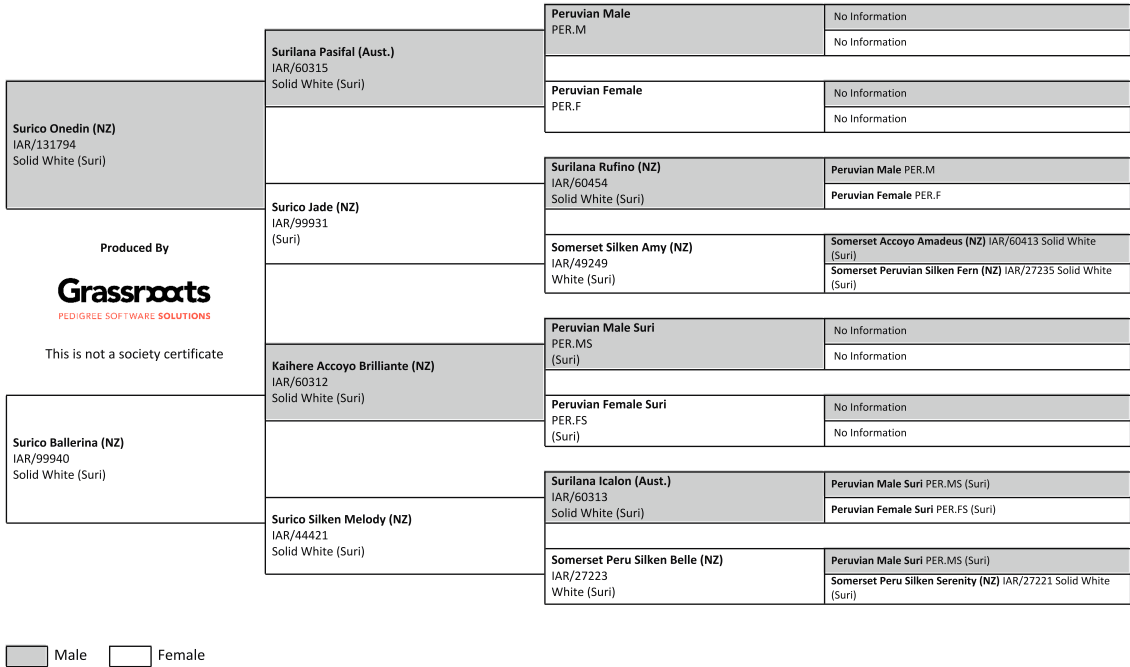

His Sire, Surico Onedin was awarded Supreme in all 7 NZ shows entered, including the Nationals in 2010. He has many award winning progeny – in addition to Bolero, a further 2 have won Supreme at the Nationals. He is most famous for his extreme density.

Onedin’s Sire, Surilana Parsifal, needs no introduction. Bred by Don Julio Barreda at Accoyo, he is the most influential suri male in New Zealand having sired 10% of the national herd– his progeny have been awarded over 57 Supremes and in excess of 200 broad ribbons. He is strong boned and compact with excellent conformation and all his cria, without exception, produced exquisite fleeces with fine pencilled, independent locks and the trademark nose-to-toe coverage for which Accoyo bloodlines are famous.

Bolero’s Dam, Surico Ballerina is also a National Supreme winner with 2 progeny winning the same accolade.
