

Micro Chemicals India

Eco friendly Agri-inputs for Tea garden

Nurturing the Soil that Brews Perfection.

Plantaid House, 66, Dr. B.C. Roy road, Shyamnagar,
PIN: 743127, West Bengal, India

Plantaid

KRISHI CHUN

Agriculture Lime

Improve Soil Health for Better Tea Production!

Soil Application

Plantaid Advanced

Mixed Micronutrients with Essential Oils

Free Flowing Powder

Enhance Tea Growth & Health with the
Goodness of Micronutrients & Essential Oils!

For Soil Application

Fashal

Phosphate Solubilizing Bacteria
Granular

Boost Phosphate in Tea Garden Soil
for Stronger Roots & Higher Yield!

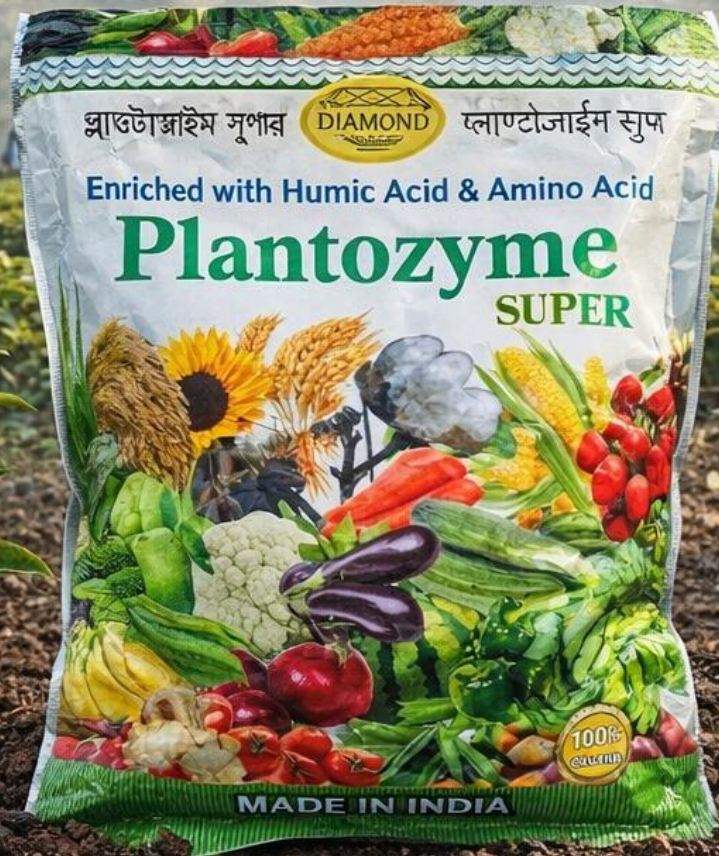

For Soil Application

Plantozyme SUPER

Humic + Amino Granules

Boost Plant Growth & Soil Health
for Better Tea Yield!

For Soil Application

Rakshak

Trichoderma viride 1% W.P.

- ✓ Spray Application
- ✓ Controls Dieback & Twig Rot Diseases of Tea Plants

Plantaid Magnesium & Chelazin

Magnesium Sulphate & Chelated Zinc 12%

Essential for Healthy Tea Plants
and Enhanced Leaf Production

| Spray Application

Plantaid Liquid

Combination Micronutrient Fertilizer

Zinc · Boron · Copper · Manganese · Magnesium · Molybdenum

Boosts Tea Plant Growth
and Enhances Leaf Quality

| Spray Application

Crop Charger

IAA + GA & Cinnamon Oil

*Energize Your Plants Naturally
for **Vigorous Growth!***

- ✔ Spray Application
- ✔ Contains IAA, GA, and Cinnamon Oil

Nutri Wave

A balanced combination of Natural Humic + Fermented Soy extract + Soluble Carbon + Choline.
For spray application.

Nourishing from the ground up:
Unleashing the full potential of every tea leaf.

GAINER

Growth Enhancer

Potassium humate flakes, Amino Acid, Sea weed extract,
Sodium Para-Nitro phenolate, Cytokinin in powdered formulation.

Rapid Leaf Proliferation
and Enhanced Vegetative Growth in Tea Plants
| Spray Application

Eco-Friendly Agri Inputs for Sustainable Tea Cultivation

Soil pH Balancing & Soil Health (For Soil Application)

- Plantaid Krishi Chun
- Fashal

Tea Plant Growth & Plant Nutrition (For Soil Application)

- Plantaid Advanced
- Plantozyme

Tea Plant Growth & Nutrition (For Soil Application)

- Plantaid Advanced
- Plantozyme

Tea Plant Disease Management

- Rakshak

Tea Plant Growth & Nutrition (For Spray Application)

- Plantaid Liquid
- Plantaid Magnesium
- Chelazin Zinc EDTA 12%
- Nutriwave
- Gainer
- Crop Charger
