The medicine wheel has been used in ancient cultures on all continents to understand one's journey through life. In this class we will discuss what the medicine wheel is and how it can be used. We will make a medicine wheel in class and see what experiences come from using it. You will learn how to make a medicine wheel for your property, business, altar, or wherever you feel it is needed. Please dress comfortably. Bring pen, notebook, water, snacks, towel or yoga mat for sitting on the ground (or you can use a chair which we provide).
