After the Shoot

THE SHOOT TIMELINE

- I will arrive 15min earlier than the discussed shoot time to check out the venue and start with images of any decor that there is.

FINAL PRODUCT

The photos taken on the day of your photoshoot will be lightly edited and uploaded to the 100% secure online folder within 2 weeks of the actual shoot. If you need the photos earlier we can make arrangements. If the photos will take longer I will communicate with you on the expected date that you will receive your photographs.
