Lights! Camera! Action! Come join the fun and glamour of “A Night at the Oscars” as Strings Con Brio presents a nostalgic musical journey of Academy Award-winning movie scores by the best Hollywood composers of the 1930s, '40s, and beyond. Walk the red carpet into an evening of musical brilliance from the Walt Disney Studios, the impressive repertoire of John Williams, and other talented composers, with selections from *Gone with the Wind*, *The Sound of Music*, *Titanic*, and *Pirates of the Caribbean*. Special guest artists will include Michael Bodnyk, tenor, singing “Moon River” from *Breakfast at Tiffany’s* and “Chim Chim Cher-ee” from *Mary Poppins*, and Greg Stead, oboe, performing “Gabriel’s Oboe” from *The Mission*. Strings Con Brio violinist Andrii Padkovskyi will perform the hauntingly beautiful “Theme from *Schindler’s List*,” and orchestra member Diana Labrador, soprano, will sing “Over the Rainbow” from *The Wizard of Oz* and “Feed the Birds” from *Mary Poppins*. Be a “winner” and carry home this spectacular evening of music in your hearts.
