Have Yourself a Merry Little Christmas with Strings Con Brio, the award-winning community string orchestra of Sarasota. Please join us for an evening of familiar holiday music. Selections will include traditional carols, with an audience sing-along, and some contemporary holiday pieces, including I'll Be Home for Christmas, We Need a Little Christmas, and music from The Polar Express. The program will also include a medley of familiar Chanukah songs. A more classical holiday will be represented by two musical giants of the Baroque era, G.F. Handel with his Overture to Messiah, and J.S. Bach with his famous chorale, Jesu Joy of Man's Desiring. This holiday season, give yourself the gift of music and celebrate with Strings Con Brio.
