### Outdoor Classroom Grant:

4th graders tried out the portable outdoor classroom funded by the Education Foundation at Rhame Avenue! This grant included camp chairs, storage for supplies, and deck boxes so classes can be held outside.

### Rocketbook Beacon Grant:

We raise money to support innovative teaching in our district. Sometimes that support is tech, like Rocketbook Beacons. Rocketbook Beacons converts student's classroom whiteboard brainstorming into PDF documents.

### Library Grant:

Centre Ave needed funds to bolster the book collection. We supplied the library with a grant to replace books missing after the pandemic that were not covered in the budget. Sometimes it's books, sometimes it's 3D printers!
