

GARDEN CLUB OF CELINA 2026 SCHEDULE

SEP 28

10 AM

McKinney Roots Tour

We will be exploring the newly curated location for McKinney Roots (non-profit organization), which is a food donation farm in McKinney. We will learn about their mission as to supply fresh produce to the food insecure by growing and distributing it to local non-profits, and churches in Collin County.

We will tour their gardens and uncover how they operate to meet their goals to improve the food insecure in our community and educate people about local food and farming.

Hopefully we will be able to recognize similar synergies with our mission to continue education of how important it is to keep local agriculture efforts growing!

To show our support to their cause, donations are gratefully welcomed!

Lunch: Tracey's House: 816 Hidden Springs Rd, McKinney, 75071 (< 1 mile away from Gray Branch Rd.

Lunch: Club Provided

OCT 26

10 AM

Live Bird Conservation Presentation

We will have a special presentation by Window to the Wild, led by Lindsey and Simon McNeny, as they share their passion for birds and wildlife conservation.

During this engaging and educational experience, you'll learn about the importance of bird conservation, the challenges many species face, and how each of us can play a role in protecting their habitats. Lindsey and Simon will share the heart behind their mission and the work they are doing to educate and inspire communities through meaningful wildlife encounters.

Guests will enjoy a live bird demonstration and an up-close meet-and-greet with some of their feathered ambassadors – a unique opportunity to connect with these incredible creatures while gaining a deeper appreciation for their role in our ecosystem.

Lunch: Member Provided

- Members are asked to bring a folding lawn chair
