

## Qsim - Glass Closet Sanctuary Statement on Sexuality\*

As a member of Qism and the Glass Closet Sanctuary, I believe that God does not exist and therefore can not create people in his image, neither male nor female. The Spirit is NOT defined by a male and female dichotomy. The Spirit is the deciding factor and has free will to enter ANY body of its choosing. It is NOT a personal choice.

I believe marriage is a government institution and NOT instituted by God. Marriage is the joining of ANY two Spirits. The gender and sexual orientation of the Spirit is irrelevant. Marriage is NOT required for sexual desire and expression.

I agree with and will uphold the LGBTQ+ truth contained in the Qism/Glass Closet Sanctuary statement on sexuality.

Signing is NOT a membership requirement of Qism or the Glass Closet Sanctuary. We will NEVER force you to sign any document.

“As a member of First Baptist Church, I believe God creates people in his image as either male or female, and that this creation is a fixed matter of human biology, not individual choice. I believe marriage is instituted by God, not government, and is between one man and one woman, and is the only context for sexual desire and expression.”
