

THE WALSH

HOTEL & TAP ROOM

EST.  1852

Medina, New York

Welcome to The Walsh

Originally built in 1852 as a railroad hotel, The Walsh has been welcoming travelers, railroad workers, local residents, and visitors to Medina for more than 170 years.

Today, The Walsh continues that tradition as a gathering place for great food, cold drinks, special events, and memorable experiences. Whether you're stopping in for our famous breaded wings, meeting friends for cocktails, or celebrating a special occasion, we're honored to be part of your story.

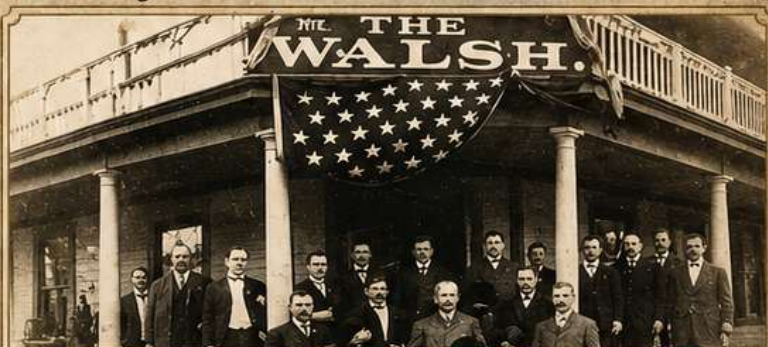

DID YOU KNOW?

BABE RUTH VISITED MEDINA IN 1920.

While in town, the legendary slugger stopped at The Walsh during a visit to Medina, adding another chapter to the building's long and colorful history.

A PIECE OF MEDINA HISTORY

The Walsh has stood through the Civil War, the golden age of rail travel, two World Wars, and generations of change in Medina.

Many notable visitors passed through its doors over the decades, including baseball legend Babe Ruth, who visited Medina in 1920.

The Walsh remains one of Medina's most recognizable historic landmarks and continues to serve the community more than a century and a half after its doors first opened.
