# Alabama's Residential High Schools!

**Monday, November 16**
**5:30 p.m.**

**Macon County Commission Chamber**
205-B North Main Street
*across from the county courthouse.*

**THREE** of Alabama's four residential high schools will be represented at this event – they are:

1

**The Alabama School of Math and Science**
in Mobile, Alabama

2

**The Alabama School of Cyber Technology and Engineering**
in Huntsville, Alabama

3

**The Alabama School of Healthcare Sciences**
in Demopolis, Alabama

**Any child who is a resident of Alabama can apply and attend these schools for FREE – room and board included!**

Please attend even if the child you love doesn't live in the Macon/Bullock area because this is a statewide opportunity. You can easily share the information you gain with friends and family members throughout Alabama.

If you have any questions, please contact
**Linda Braye Bulls**
of the Orchid Club at
