BodyInsight is an interactive, medical career exploration program designed for young adults, who are seeking to gain a better understanding of the healthcare profession. Through this immersive program, students are guided through organ dissections, suturing, doctor and medical professional lectures, interactive surgery-viewing experiences, shadowing opportunities, and counselor-student mentoring. When a student is allowed to explore the medical field first-hand, they gain a perspective that allows them to understand the passion that is within healthcare and the people who dedicate their lives to helping and healing others. It is with this experience that many students find their own passion.

The Caregiver Support program and the Money Management program are for **residents of Oak Park and River Forest (Oak Park Township)**. In the Caregiver Program, the caregiver is Steve's client and

they may live anywhere but the care recipient must live in Oak Park Township, enabling Oak Park Senior Services to provide and pay for services like caregiver support group meetings, respite services, training and educational workshops for the caregivers, gap filling services to purchase small items like fans, air conditioners, and portable heaters for the care recipient, and you'll also find a lending library for caregivers. The Money Management Program has a staff of 20-plus volunteers to help senior residents of Oak Park Township with monthly bill payment, sorting and organizing mail, establishing a budget, intervening with creditors, if needed, and more. The program is designed to help seniors age in place, and continue to live independently as long as they are able.
