OF THE PEOPLE**

A VOICE for VOTES: THE EMPOWERING VOICE of the PEOPLE

FIRST YOUTH MOCK ELECTION WAS A SUCCESS

With the help of our **12** amazing volunteers, **55 students** "Voted" and **4 adults** were registered to vote!

The students enthusiastically, cast their votes and engaged in thoughtful discussions with the team and candidates. We were blessed to have representation from both Democrat and Republican parties present. The event provided a fantastic opportunity for children to experience the democratic process firsthand and for adults to get registered.

We would like to thank Lovejoy Baptist Church, our volunteers and each and every individual who played a role in this event. This is just the beginning of a great movement and we are excited to be doing great things in our community. Jump on board... **TOGETHER WE WIN!**

Mock Presidential Election for Youth

A Voice for Votes is excited to announce a special event designed to help teenagers and youth get comfortable with voting. On August 9, 2024, the group will host a Mock Presidential Election for children ages 8-18. This event provides a unique opportunity for young people to go through the entire voting process, including registration, choosing a presidential candidate, and receiving an "I Voted" sticker. We include and have invited this year's local candidates, commissioners, and mayors. We will also have voter resources and information available for parents and adults.

Event Details:

What: Mock Presidential Election

Who: Children ages 8-18

When: August 9, 2024

Where: South Rome Boys & Girls Club

Time: 9:00 AM - 12:00 PM and 4:00 PM - 7:00 PM

Registration: FREE at the door

For more information, please contact Chairman Marquita Davis at (706) 591-3363,
Co-Chairman Shaylan Johnson at (470) 529-5847 or reach out via email at avoiceforvotes@gmail.com.

We encourage the community to share this event on social media and within their church groups to help spread the word. This is a great chance for young people to gain practical experience and confidence in the voting process.
