

LGBT Veterans Independent Review

- Our Call for Evidence is open - visit our website to find out how you can submit your testimony.
- Any individual can participate in the call for evidence providing they served some time from 1967 to 2000, or if they are a family member of an impacted individual.
- Responses can be given anonymously, however if you want to share your story there will be an opportunity to do so.

The review is looking at three main areas:

- The impact the ban had on LGBT or perceived to be LGBT veterans
- Accessibility of veterans' services for LGBT individuals
- How to ensure that LGBT veterans are recognised and fully accepted as members of the UK Armed Forces
