OBJECTIVE

Experienced and results-driven video editor and producer with over 25 years of hands-on experience leading post-production projects across commercial, real estate, architectural, legal, documentary, music and immersive VR formats. Recognized for building efficient, scalable workflows and leveraging cutting-edge tools—including Final Cut Pro and AI-based platforms for quick asset generation—to deliver cinematic, brand-aligned content. A self-taught expert with a proven track record of delivering high-impact visuals, drone footage, and creative leadership without relying on formal education—just consistent execution, innovation, and a relentless focus on storytelling that works. Portfolio speaks louder than any credential—see for yourself in this Vimeo Showcase.
