Welcome to PPRS!! We are excited to have you join our team. Please complete the following steps ASAP so we can get you started. If you have any questions, please text Beverly during normal business hours!! Thanks!!

Please go to Maggie's Shipping Shoppe at 330 East Costilla and ask to be fingerprinted. You will mail your fingerprint card and envelope back to Beverly at the above address ASAP, this process takes the longest to complete. You will not be able to provide services until we receive the background check from CBI. The charge for fingerprints is \$14.08. Please do not seal the envelope provided by Maggie's, we will need to add additional information to the card before submitting to CBI. After a full 30 days of successful contracting, you will be reimbursed for this fee.

TB test can be performed at many places in town. Some caregivers go to their doctor for TB test, if your copay is more than \$20 we suggest going to Integrity Urgent care at the corner of Powers and Barnes.

Jessica Gervasi is our preferred CPR/FA instructor. She has classes scheduled regularly, call her at 719-800-3190 and ask for her class schedule. Classes are \$45 for CPR/FA and Universal Precautions.

There are also many required training courses to complete within 45 days of hire and yearly thereafter. You will need to go to pikespeakrespiteservices.com, click on staff portal and enter your email address to obtain a login code to gain access. Please check the website regularly for the training schedule and announcements from management. **Remember, it is up to you to complete trainings to stay compliant with State requirements!** If you have any questions about login or a specific training, please contact Aimee Mathias at 719-494-6155.
