Meet our newest Admin Team Member!!

Ranee is our Office Manager and newest team member of Pikes Peak Respite Services. She was the first Family Support Partner (FSP) in Colorado Springs, working closely with the Wraparound process. Prior to being an FSP, Ranee and her family were clients of Wraparound and are proof that the process works. She went on to help other families involved in the juvenile justice system, as well as helping families navigate through the court process, Wraparound, and support children, youth and families with a supportive ear and "lived experience".

Ranee is a Colorado native and enjoys camping, hanging out with friends, and listening to music of all varieties.

ATTENTION PROVIDERS:

If you have not done so already, please check your email and sign into the new PPRS Portal account.

We are planning on launching the new portal at 10am on March 8th. After 10 am, you will not be able to submit timesheets for the past week.

Stay tuned for an email with instructions and a training video!!

Again, please create your account ASAP and reach out to Tiffany if you have any questions.
