

Community Event SOP

Always call ahead for community events as some events may have been cancelled/the time of the event may have changed due to COVID-19.

Here is a list of websites that post community events, some events are free and other will cost a small registration fee:

- [Free Colorado Springs, CO Community Events | Eventbrite](#)
- [Events In Colorado Springs, CO - Visit Colorado Springs \(visitcos.com\)](#)
- [Colorado Springs Cheap or Free Event Calendar and Things To Do \(springsbargains.com\)](#)

Sometimes events will also be listed on the Pikes Peak Respite Services website. Even if they are posted on the PPRS website, it is still important to call ahead, as sometimes the event times change after the event is added to the calendar.
