Jess's Corgi Corner

- It's that time of year! Parents are in need of respite before and after school. Check in with us or post on our new Facebook page [@PPRSNewsflash](#) to pick up extra shifts 😊
- **PLEASE communicate with parents/guardians if you can't make it to a meet and greet or if you can't make it to a shift.** Families really rely on us to be there and plan their day around providers being there for their scheduled shifts. Life happens, and we understand that, but a notice (ideally a 24 hour notice) if you can't show up for a shift or a meet and greet is required.
- **BIG NEWS!!!!** CPR classes will now be taking place our new PPRS Office located at 411 S Cascade Ave.

September 2021 Provider of the Month

We have worked with Alicia for about five years. My son is blind and autistic with high care needs. My son as well as the rest of my family absolutely love her. She has always been there for us no matter what and is honestly second momma. I don't know what I would do without her. She is the most caring, compassionate, salt of the earth woman I have ever met. So grateful to have her in our lives.

-Parent/Guardian

Alicia is reliable and dependable, and we know that when our child is with her that they are in her good hands. We never worry about our child with her.

-Parent/Guardian

We love Alicia, she gets us and our son's needs, she is so good for him, and we can relax while she's here!

-Parent/Guardian

Alicia is great at communicating and is always ready to help however she can. She is truly passionate about helping others and that shows in her work.

-Admin Team Member

She always has her visits entered accurately and on time for both DORY and Sandata. I have rarely, if ever, had to correct anything for her. Her visit notes are usually thorough, and she balances her client's schedules well.
