

What do we say after a busy day?

This time of year is so busy for so many of us, life can seem very overwhelming most days.

How do you ask your loved ones, children, adults about their day? How do you feel when someone asks you? "How was your day?" Most of the time the answer is, "Fine, or Good", but what if we asked those questions differently to really find out how the persons day was?

For children in school the days can be a lot, coming home to questions like, "What did you get on your quiz", or "What homework do you have?" can sometimes get you very mediocre answers.

Adults or teenager in Day Program, when asked, "Did you have a good day?" "Will probably get you either a "yes, or a no". But did you really find out what they did, or what made them happy about the day?

Instead try to change those questions up.

"Who were you a helper to today?", "Tell me something funny that happened.", "What did you notice today that most people probably didn't?", "What was your favorite thing about today?", "Who did you sit with at lunch?", "What was your favorite part of today?"

Did you know there is a Riverwalk in Pueblo? Who knew – right? This little river walk has so many activities for families. Little restaurants line the sidewalk, boats up and down the canal, sculptures decorate the entire path, and there is green grass to picnic on. A list of things to do in Pueblo would not be complete without guiding you towards the Historic Arkansas Riverwalk. In the summer you can catch a concert or special event at the plaza.

Things to do in Fort Collins and surrounding areas

Horsetooth Mountain Open Space

Horsetooth Mountain Open Space is a 2,711-acre, 29-mile biking and hiking trail.

This 29-mile trail offers a lot of iconic landmarks and natural beauty along the way.

This is actually one of the best things to do in Fort Collins with kids.

Things to do in Denver and Metro Areas

Visit the Denver Mint

To see where your currency is created (sorry, no free handouts), follow the money trail to the **Denver U.S. Mint**.

The free, 45-minute tours are led by knowledgeable guides and provide a fascinating look into the history of coinage. Both kids and adults will love learning about the shiny pocket change those streams off the production lines.

Tours are available Mon.–Thurs. from 8 a.m. to 3:30 p.m. Same-day tour tickets are available at the Tour Information window, which opens at 7 a.m.; no advance tickets are available. Line up early

https://www.usmint.gov/mint_tours/?action=startreservation

Hammonds Candies

Anyone with even the smallest, sweet tooth will love this free tour, which gets you behind the scenes at **Hammond's Candies**, a company that has been making candy in Denver since 1920. You'll come away with a newfound respect for the candy industry, plenty of free samples — and maybe a cavity or two.

Dinosaur Ridge

Dinosaur Ridge Trail is the primary visitor experience at the Ridge. Take in the nation's the #1 ranked dinosaur tracksite, the bones quarry, the Brontosaurus Bulges, and other points of interest. Options include:

- Walking the paved road at your own pace and reading interpretive signs along the way
- Downloading an audio tour to your smartphone
- Signing up for a guided weekend walking tour

The Discovery Center is our secondary museum and gift shop on the west side of the Ridge just inside Red Rocks Park & Amphitheatre entrance #1. Exhibits focus on the unique plants and animals that lived in Colorado 60-150 million years ago.

From Claire's Desk

Hello All!

We at PPRS from the Admin Staff all the way down to the people we support deal with many confidential issues!

Please do not forget that confidentiality in this field is a HUGE requirement of the position.

Please be mindful when talking to other Providers and even other Families to not talk about your clients, diagnoses, or personal information!

Also when you are in public and on the phone with families please be mindful of what people around you may hear!

Thank you so much –
Claire
