

# *Books and Blessing*

Thank you for your interest in Books and Blessings! We love to support local artists and authors. Besides carrying quality religious items and books, we also hope to provide local and unique “blessings” to our guests.

If you are an Arizona resident, and are interested in offering your art or book for sale at Books and Blessings, please submit the following:

1. Between 3-5 jpgs of current work and respective price points
2. A short bio
3. A resume (1-2 pages)
4. For authors: 3 letters of recommendation from local clergy in support of your book

Submissions are only accepted on-line at [BooksandBlessings3@gmail.com](mailto:BooksandBlessings3@gmail.com).

As much as we would love to support many local talents, we appreciate your understanding in that we only have so much space for inventory.

Accepted artists/authors will be notified by email.

God bless you.
