Winter/Spring 2019

Find the Fun

Community Members ,

My name is Briana Myers and I am the new District Administrator for Weed Recreation & Parks District. I come to this community with over 15 years of recreation experience as well as a Masters in Recreation Management and a Bachelors in Recreation Administration. My career has taken me all across the nation as well as abroad. These experiences have given me a wide range of skills to bring to this District.

I have been part of this community for just over a year and during that time I have seen and felt the need for our District to provide new and exciting recreation opportunities for our community.

Weed Recreation & Parks District strives to be the place “Where Community Connects.” To keep true to our vision the District has been reaching out to partner with local businesses and facilitators to broaden our range of services.

Additionally, we have been surveying the community to gain insight into the community’s needs, wants and interests for future programming and events. 2019 will be filled with fun for the young, old and everyone in between.

Weed Recreation & Parks District is headed in a new direction and hopes to provide opportunities for you to further enjoy our parks, facilities and the community at large. This is the first step into a bright and fun future for our community. I look forward to this new chapter and meeting you at one of our many District Events.

Sincerely,
Briana Myers

Briana “Queen B” Myers
District Administrator
