

...The next generation of young horses is shaped by the trainers, breeders, and riders who guide them on the path to greatness.

## Mounted Shooting Futurity Derby and Sweepstakes Series

### A Message to Future Owners of the Genesis Series

The Genesis Series was built not only for riders and trainers, but also for those who simply love great horses, exciting competition, and being part of something truly special. You don't have to be in the saddle to experience the thrill of this program—your journey can begin as an **owner**.

Owning a futurity or derby horse in the Genesis Series allows you to be an essential part of a young horse's path to greatness. Whether you are new to the sport or a lifelong admirer of horsemanship, being an owner gives you a front-row seat to the growth, training, and accomplishments of your horse throughout the season. You'll enjoy the fun and excitement of following your chosen trainer or rider as they develop your horse, progress through the levels, and compete at our events.

As an owner, you'll experience:

- **Meaningful Involvement** – Take part in the journey without the pressure of competing. Enjoy watching your horse learn, improve, and mature under a skilled professional.
- **Recognition & Appreciation** – Owners are acknowledged at each event, featured in listings, and celebrated alongside riders and trainers.
- **Prestige & Pride** – See your horse showcased in a premier futurity and derby series that values integrity, fairness, and the future of the sport.
- **Community & Connection** – Become part of a supportive, faith-driven equine family that cherishes fellowship, sportsmanship, and the love of horses.
- **Payout Opportunities** – Owners benefit from year-end awards, recognition, and designated payouts that honor the role you play in each horse's success.
- **Pure Enjoyment** – There is something truly special about cheering for a horse that carries your brand, your name, or your dreams into the arena.

You don't have to ride to make a difference. Owners are a vital piece of the Genesis Series, helping support trainers, breeders, riders, and the development of the next generation of competition horses. With your involvement, our sport grows stronger, our young horses gain opportunities, and the future of cowboy mounted shooting shines brighter.

We invite you to join us—step into the story, embrace the excitement, and experience the joy of watching your horse thrive.

We appreciate your interest, your support, and your heart for the equine industry. A sample copy of the guidebook is included for your review. Please see section 9 for exciting ownership opportunities. May this season bring growth, adventure, and many blessings.

**Enjoy the journey,**

**Dave and Pam Lohrey**
