God of new beginnings, as we move into this new year, stir in us the feelings of expectation! Kindle our hearts and minds to see possibilities for our world and for your kingdom. Help us to believe that the world we have can be better: more loving, more just, more compassionate, and looking much more like the world you've imagined for us. Lord, help us to give generously this day to empower that to happen. In the name of Christ, Savior and Redeemer, we pray. Amen.
