WILDLIFE CONSERVATION • OUTDOORS EDUCATION • HUNTER ADVOCACY

# TO OUR GUESTS

Welcome to Call2Adventure 2024!

We are so glad that you're here and hope that you have an enjoyable experience. By merely attending our banquet, you are directly supporting wildlife conservation, outdoor education, and hunter advocacy. Every dollar you spend on raffles, silent auctions, or in our live auction will help us further that mission.

We'd also like to take the time to thank our many **sponsors** whose donations make this event possible. Many of these sponsors have been with us for several years. We can assure you that whether you've won an Argentina dove hunt or an Alaskan fishing trip, you'll be in good hands with our trusted sponsors who care deeply about our mission.

While **wildlife conservation** and **hunter advocacy** are integral pieces of our mission, for the last couple years we've doubled down on **outdoor education**, focusing on the youth of our area.

In 2023, we sponsored three high school rifle teams by purchasing shooting jackets and other equipment they've needed, sponsored multiple schools across multiple states in partnership with Outdoors Tomorrow foundation to teach an outdoor curriculum teaching skills such as camping, fishing, survival skills, and wildlife conservation, sponsored a youth deep sea fishing trip, put on a family archery event, as well as multiple sporting clay events.

We hope that the money raised here tonight at Call2Adventure! 2024 will help us expand these efforts to get more kids interested in the outdoors and our great hunting traditions.

We are deeply grateful for all of your support!

Sincerely,

*DSC Northeast Board of Directors*

# AUCTION RULES & PROCEDURES

Live auction bids will be by numbered bidder card only (excepting those pre-registered/pre-approved bidders who are bidding live online via Internet). Anyone wishing to participate in bidding on any live auction item please do so by raising your bidder card. If you are the winning bidder, you own the item and will be responsible for full payment. When bidding from the floor, raise your numbered bidder card, or if necessary, stand to get the attention of the auctioneer or one of his staff. The auctioneer and his staff are responsible for the auction. Their rules must be followed explicitly. Highest bidder as determined by the auctioneer shall be the purchaser. Judgment calls will be the sole discretion of the auctioneer, and the auctioneer will decide any disputes regarding the bids during the live auctions. All decisions of the auctioneer will be final.

If you are unable to be present when a particular item you desire comes up during the Live Auction, the auctioneer will accept an absentee bid. Simply complete an Absentee Bid Form and give it to the Cashier. While best efforts will be made to get your bid in, no promises are implied or expressed. If you are the winning bidder, you own the item and will be responsible for full payment. In order to help you enjoy the live and silent auctions more and ensure that you are successful in bidding for your favorite items, we make the following suggestions:

1. Read the description of each item carefully prior to the auction. The auctioneer will not read and review the full description of each item.
2. Ask questions ahead of time and talk to the donor. For hunting trips, DSC NORTHEAST strongly encourages bidders to buy trips from donors who are members in good standing with their local, regional or national professional hunting association.
3. Due to limitations established by various donors, there may be a minimum bid necessary in order to sell an item. The auctioneer and DSC NORTHEAST reserve the right to reject any and all bids on any item at any time.

4. Note some of the items on donated trips may include additional expenses not listed in the description including, but not limited, to the following: Travel expenses to and from destination; Hotel and meals before and after the hunt; Alcoholic beverages; Trophy dipping, packaging and shipping; Gratuities; and Value added tax (VAT). Once again, please read all item descriptions carefully and clarify any questions you may have directly with donor prior to bidding.

5. Trips may not be transferred, re-sold or bartered by winning bidder(s) without prior written agreement from both donor and DSC Northeast.

Most trips, unless otherwise noted, are for specific dates. Donated trips MUST be taken during the dates specified unless special arrangements have been agreed upon with the donor in writing in advance. Donors are under no obligation to honor trips outside date range(s) specified; please do not bid on trips if there is any question you will be able to take trip within the specified time frame. Buyer must contact the donor within 30 days of the auction to arrange scheduling. It is the buyer's responsibility to communicate, and to apply for any required tags by stated deadlines, NOT the responsibility of DSC NORTHEAST nor the donor. Any arrangements other than as set forth in the auction listing are expressly between the donor and bidder.

NO FIREARMS will be transferred tonight. Firearm laws and regulations require certain background checks and waiting periods. Transfers will be in accordance with all federal and state laws. Winners are responsible for firearms pickup from DSC Northeast's designated FFL, or cost of shipment to their preferred FFL dealer.

**ALL TANGIBLE ITEMS THAT ARE NOT PICKED UP WITHIN 90 DAYS OF AUCTION DATE WILL BE CONSIDERED ABANDONED AND WILL BECOME PROPERTY OF DSC NORTHEAST, UNLESS ALTERNATE ARRANGEMENTS HAVE BEEN MADE IN WRITING WITH THE AUCTION MANAGER.**

## **PAYMENT TERMS**

1. All high bidders are responsible for payment of auction items according to the payment terms as set forth herein. After the winning bidder has been confirmed, a DSC NORTHEAST “runner” will immediately deliver a sales invoice to the bidder for processing. The form must be filled out in its entirety and signed by the bidder. All signatures on sales invoices are binding.
2. Payment will be required immediately, unless prior arrangements have been made. Acceptable forms of payment are cash, credit card (MasterCard, Visa, American Express or Discover), or check and will be collected by the DSC NORTHEAST “runner.”
3. All bidders must be current from any previous year's auction.
4. If you still have unpaid items when the auction ends, or if you must leave early, please go to the cashier's area to make any final outstanding payments and pick up your merchandise or receipt for item(s) purchased.
5. Any variances from the payment guidelines above-stated must be approved in writing by the DSC NORTHEAST President and the DSC NORTHEAST Treasurer.

### 6-Days/7-Nights South African Cape Kudu and Cape Bushbok Hunt for 1 Hunter

This is a 6-day/7-night hunt in the Eastern Cape, South Africa for 1 Cape kudu and 1 Cape bushbok for one hunter. At East Cape Bushveld Hunting, our partnership is based on a shared approach and philosophy of ethical fair chase hunting and sensible game management. Our rapidly growing concessions contains a wide range of game species and trophy animals. Several concessions allow us to match the various types of terrain (bio types), habitat, and vegetation to the animals and the needs of our clients. The very dense Valley Bushveld is where the great kudu (Grey Ghost) roam, the secretive bushbok prefers to stay along his stream bed, and blesbuck and zebra gather in more open areas. Each area has a mixture of terrains to offer an abundance of game animals. The Eastern Cape of South Africa offers some of the best hunting conditions in the world and is where the most desirable species occur.

Our base camp is situated an exciting game viewing two-hour drive on modern highways from the airport in Port Elizabeth (where we meet and pick you up). There are game parks and reserves like the famous Shamwari Private Game

Reserve along the drive so you will see plenty of game even before arrival. Our clients see more wild animals on their way to our base camp than in any zoo. The base camp lodging is comfortable safari-style indoor accommodations, but more rustic camping is available when the client prefers. Method of take is rifle or bow. Arrival and departure from Port Elizabeth, South Africa.

**Included:** Professional hunter (1x1); trophy fees for 1 Cape kudu and 1 Cape bushbok; pick up and drop off at PE or EL airports, 3-star lodge accommodations; daily laundry; meals & beverages; field prep of trophies, hunting licenses and permits.
