SOPHIE'S CORNER

Hello Everyone,

Recently I was lucky enough to be chosen to compete for the South Australia in the tri-state junior pistol team. The SA team consisted of 2 people from NCPA Jackson Burton and myself, Sky May from Penfield and Lochie Bickle from Balaklava. The tri-state competition is held every year either in Victoria, South Australia or New South Wales. It's a great competition to be included in and you get to meet heaps of other juniors. This year it was held in South Australia at the Penfield pistol club. It was a lovely weekend, I was able to catch up with some of the juniors from last years event. This year there was some new faces, but it's a great event to get to know new people and have some fun. While the competition isn't as fierce as an open, there was still some great smack talk between states, all done with great fun. One of our new NCPA associate members Talia Woodroffe, was on the dark side still representing Victoria. Maybe one day we can convert her to South Australia. Thank you to Penfield for hosting the event, all of the coaches and volunteers for giving up their time to make it a success. I want to especially thank Alison for coming down and supporting all of us juniors and giving us a few of her tips and tricks. I can't wait for next year to see how much we all have improved.

Thanks Sophie Wright

150 ISSUES

Last Month was the 150th newsletter under the current editing team.

A majority of the issues have been electronically delivered. We have come a long way starting with plain articles to weaving in more photos and articles from committee members and friends of the club.

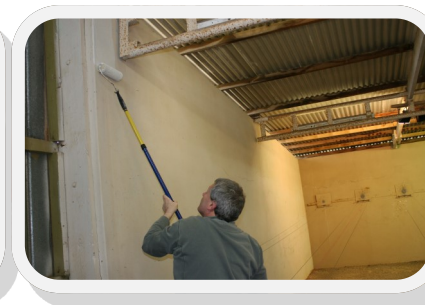

The editor has started travelling further for information and happy to have help from Opens and Titles Facebook and club members.

If you have a club related article send it to the Secretary for publication!

Check out these photos from past issues!

WORKING BEE 22ND JUNE

It was great to see so many helpers out on the June working bee. Sam and Darren were keen to finish painting the last window of the clubrooms finishing the outside of the clubrooms in the new colour. Phil organized the gravel for the car park on short notice (thanks Phil). There were plenty of gravel spreaders and not just the rakes...lol. Jammie and Robert busied themselves with taking down the sign over the club gate. Due to the new level of the driveway its hard to get trucks in so it was slated for removal. Don't worry it will be displayed somewhere in the grounds.

Kristie and Lou were on hand to do the toilets and clean up the clubrooms ect. Many thanks to the spreaders Bob I, Steve B., Brodie, Mike G., Don, David, Mike M and Phil.

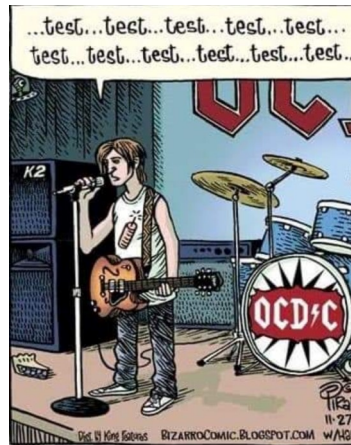

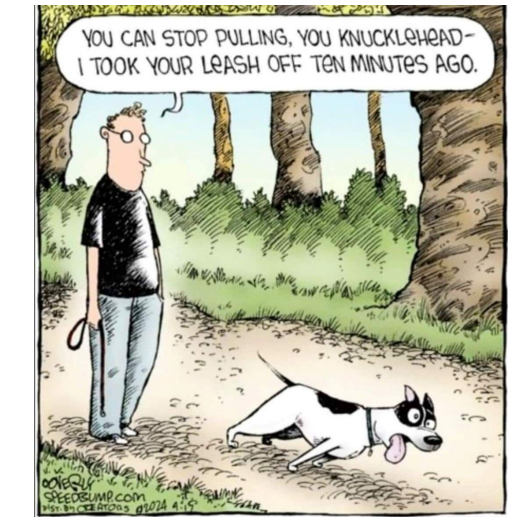

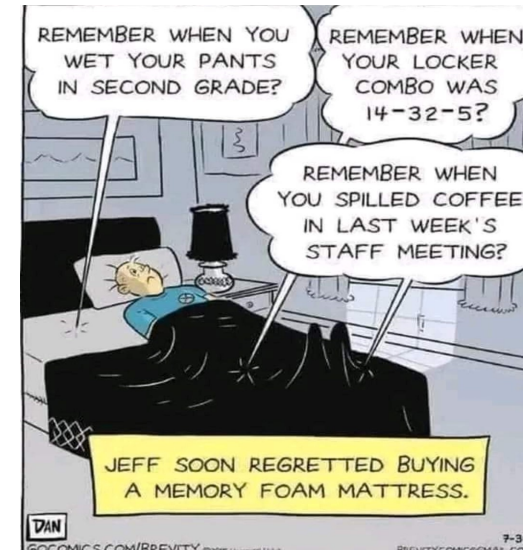

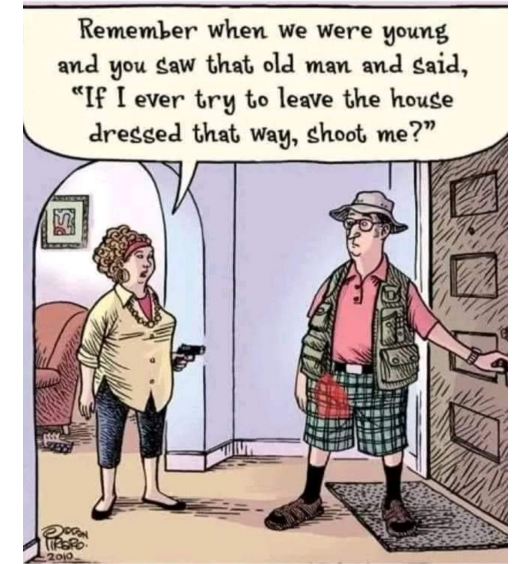

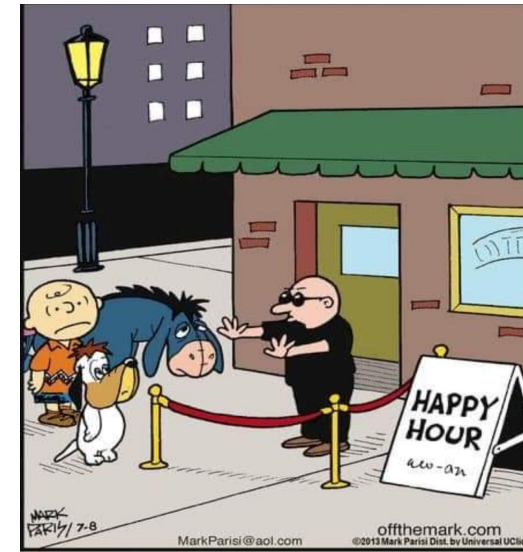

A job well done,

WORKING BEE

THE FUN SIDE

SERVICE OF ALCOHOL

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

Please note

- You can only purchase and consume alcohol once you have finished shooting for the day
- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)
- Initially we are focusing on Sundays and Wednesdays with a view to extending to Tuesdays and Saturdays as RSA trained members become available.

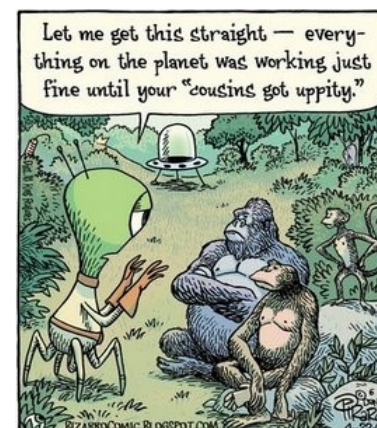

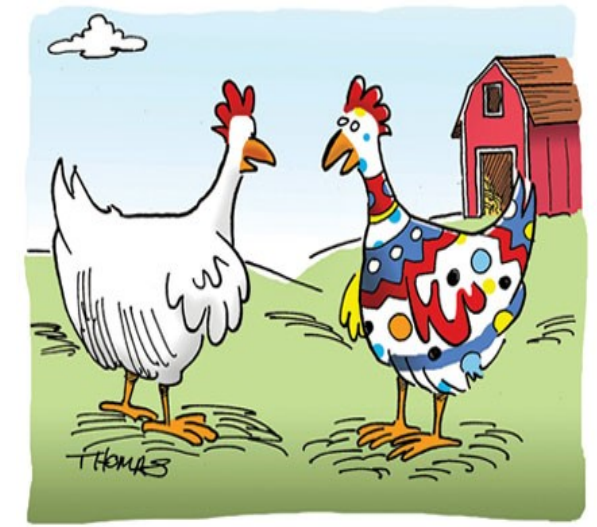

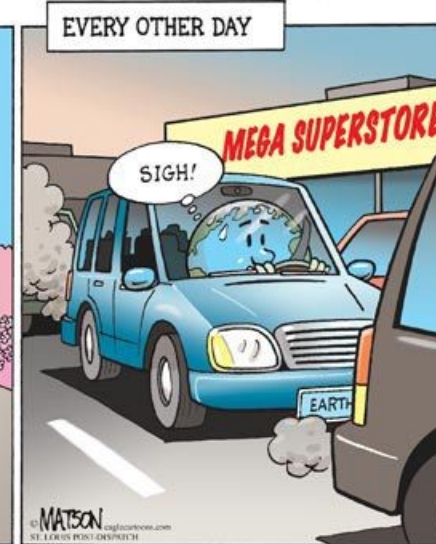

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

RANGE ETIQUETTE & HOUSE-KEEPING

- Please be on range at least **10 minutes** prior to the scheduled match start time as a courtesy to your fellow club members who have set up and are ready to start shooting at the scheduled time
- The Range Officer has total control of the range and the match – follow all Range Officer commands without exception
- On match completion, sweep up your spent brass and evaluate your used target:
 - If reusable – patch it **before** returning it to the target storage unit for re-use
 - If shot-out - dispose in one of the yellow lidded wheelie bins near the clubhouse
 - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
- Assist with taking range caddies and target carriers back to the clubhouse
- Leave the range clean and tidy for the next user(s)
