SOPHIES CORNER

Hi everyone, May was yet again another month full of competitions. This year ... of NCPC members headed on a plane to Sydney for the 2025 Target Pistol Australia Nationals held from the 20-24th of May.

It was a fantastic experience for everyone with some new and experienced shooters heading over together. Sunday was our first training day where we all got to head to the Sydney International Shooting Range and test out the electronic targets! it was so nice to get a bit more confidence on these targets.

Monday was another training day but I and a few others decided to spend the day exploring Sydney and doing all of the tourist things such as going to the Sydney Opera House, and walking across the Sydney Harbour Bridge. While also dragging Rob and Kristie as well as my parents around Sydney in order to find me a jelly cat (a stuffed bunny rabbit toy). Spoiler we did end up finding them!!

Then it was onto Tuesday our first competition day, that day for me was for Rapid, I was at first disappointed in my score, but after some time realised how proud I should be that im here giving it a go and having fun. Following on to the rest of the days there was a range of matches shot, Air, Sport, Rapid, 50M, centre fire, standard. It was so nice to just sit back at times and watch all the other state embers having fun.

I was lucky enough to place 6th in the Junior Rapid Fire, and 7th in the Junior Womens Air Pistol. The whole week was so fantastic getting to meet so many new people from all around the country. It was so nice to see both Gary and Alison Heinrich win the Men and Women's aggregates with one of Garys Centre Fire series being something you never forget (a perfect 50 with 5 X).

Overall the week was a huge success with so many new memories being made.

Cant wait for next year!!

Bye all,
Sophie

NOARLUNGA CITY PISTOL CLUB OPEN MAY 2025

Another well prepared and planned Open in the first weekend of May saw more than 50 athletes attend. Competitors enjoyed the weekend and there were plenty of fun times and laughs along the way.

As always the canteen was pumping making a healthy profit for the club. But that's not what the weekend is about. Its about supporting the shooting community and giving everybody the chance to shoot at an Open

Thanks Mike M., Dave , Don , Heather from Castlemaine, Sue Moir, Kirsty, and Linda for giving up time to help in the canteen.

On Range it was great to see athletes jumping up and helping on the line as Range staff. Lots of members stood up and did Range Officer duties. Robert P., Jammie W., Mike P., John C., and Tony C.wre amongst this group.

There was plenty of help in the score shed so thanks to all those that jumped in!

Thanks to the members who turned up to help or forgot it was an Open and helped anyway... LOL As always our fantastic Organizing Secretary had the job sorted all weekend– Thanks Robert!

AROUND THE CLUB

The Air Range (Range 3) now has a light system instead of the old flag system. When you turn on the lights for the targets (middle switch) the red light comes on automatically. This has been updated as part of the last Range inspection by SAPOL. No flag is now required but the main red flag still need to go up as with all shooting.

NATIONALS SYDNEY MAY 2025

A big WELL DONE to our members who headed to Sydney for the Nationals last week. Members Alison, Sharlene, Cj , Christoph and Sophie were on the State team and Craig, Brodie, Jammie, Kristy, Robert and Tony were self funding their own trip to compete in the Range made for the Olympics in 2000.

SERVICE OF ALCOHOL

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

Please note

- You can only purchase and consume alcohol once you have finished shooting for the day
- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)
- Initially we are focusing on Sundays and Wednesdays with a view to extending to Tuesdays and Saturdays as RSA trained members become available.

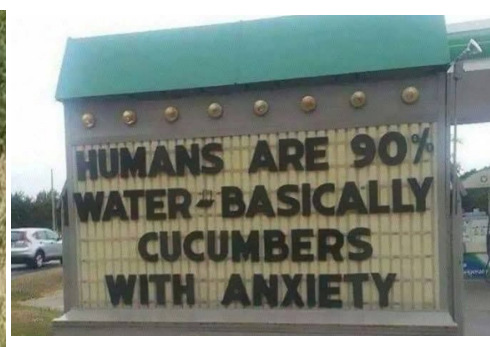

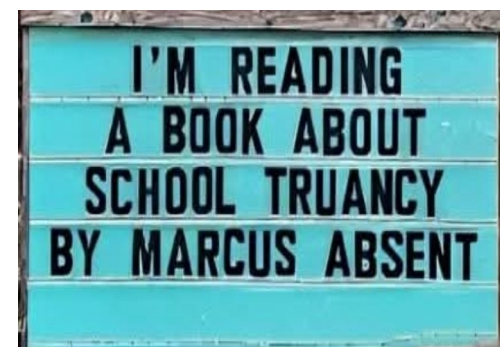

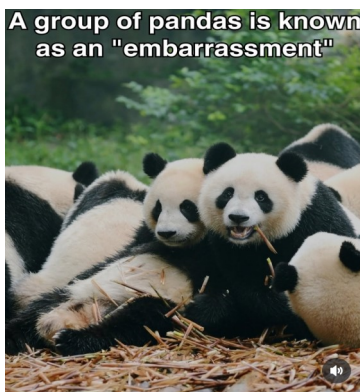

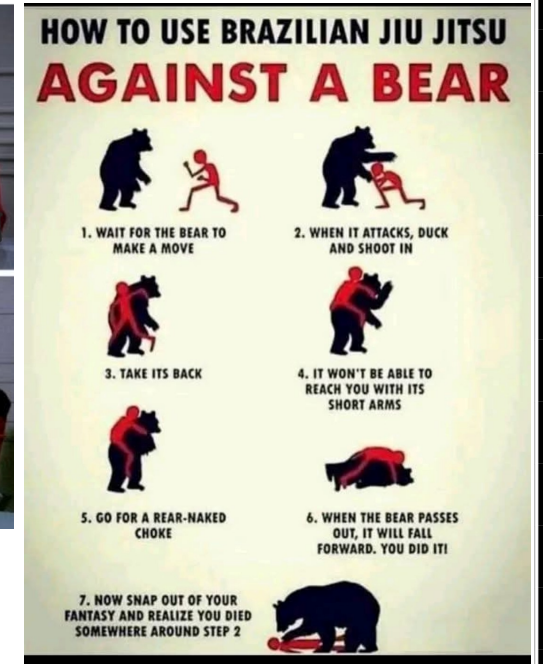

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

RANGE ETIQUETTE & HOUSE-KEEPING

- Please be on range at least **10 minutes** prior to the scheduled match start time as a courtesy to your fellow club members who have set up and are ready to start shooting at the scheduled time
- The Range Officer has total control of the range and the match – follow all Range Officer commands without exception
- On match completion, sweep up your spent brass and evaluate your used target:
 - If reusable – patch it **before** returning it to the target storage unit for re-use
 - If shot-out – dispose in one of the yellow lidded wheelie bins near the clubhouse
 - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
- Assist with taking range caddies and target carriers back to the clubhouse
- Leave the range clean and tidy for the next user(s)
