SOPHIES CORNER

Hi All,

This month, we had the pleasure of attending an open event at the Penfield Pistol and Archery Club. The competition was a wonderful experience, and it was fantastic to see such a strong turnout from NCPC members participating across all three disciplines: Air, Sport, and Standard. A big congratulations to everyone who competed — your dedication and sportsmanship were truly inspiring. I hope you all had as much fun as I did and took away some valuable experiences.

Over the past several weeks, we've had the privilege of training under the guidance of our state team manager, Bev Osborne. Bev has been joining us every Sunday at 11 AM, offering focused training sessions. We've been concentrating particularly on improving our skills in precision shooting and duelling, as part of our sports pistol practice. Her expert coaching has been incredibly beneficial, and I believe many of us have already seen noticeable improvements in our performance.

Earlier this month, I also had the opportunity to share a presentation I created for my school's High Performance Athletes Program. The topic was *doping in sport*, and I presented it to a small group of members at our club. I want to sincerely thank everyone who took the time to attend and support me — your interest and encouragement meant a great deal.

Thank you all for a great month of training, learning, and community spirit!

Kind Regards

Sophie
