

NCPC NEWSLETTER

October 2024

Congratulations to the members who attended the Sturt P&SC on the 14th of September. We now have a big crew going with Elite member Alison, new associate member Talia, Associate members Bev and Deb and Júnior members Sophie and Jackson joining our full members that get out there and shoot Opens. Well done Gordon and Michael B who are new to the group.

AIR PISTOL SOCIAL LEAGUE	2
SOHIES CORNER	3
COACHING COURSE	4
AROUND THE CLUB	5
STURT PC	6-7
WORKING BEE	8
THE FUN SIDE	10

Any information for the NCPC newsletter must be received by the secretary no later than the 20th of the month in which it is to be included in the following months edition. Please note that all picture files must be emailed as attachment (.JPG format) Not inserted into documents or emails. Thank you.

THE SCORE BOARD

NCPC AIR PISTOL SOCIAL LEAGUE

All NCPC members welcome.
NCPC will be running a social
air pistol league.

The competition will be handicapped at 90% of 600
according to your average (will be set in comp).

Format – 1 on 1 mystery rounds.

You will need to submit 1 score every 2 weeks.

At the end of each fortnight a list of matches and league
standings table will be posted in the air shed.

If you wish to join you can message or call
Robert on 0438 668 539.

The full plan and rules can be sent to you on request.

Please remember that this is a social event for fun.
There is no cost, there are no trophies, just some fun banter.

Starting Soon

SOPHIES CORNER

Hi everyone, we've had another great month of shooting. In September we had Sturts open, the first one they had done is a long time. It was a fantastic day of shooting, with some very nice scores by all of the athletes. I have to say I am a little proud of myself for shooting another junior air pistol qualifier. As you can see from our photo we had a huge turnout from NCPC, we are really getting noticed as being the club who's members get behind opens.

Sturt pistol club certainly appreciated all of the support by shooters from all clubs. I think they did a fantastic job, I hope they will do another competition next year.

Over the last 5 weeks Tony Carter has kindly offered his time to run an air pistol training course. The course has been on each Sunday from 11:00am – 1:00pm, after the normal scheduled shoots. Tony even ran a competition, which we all had to do entry forms for. Rob Peterson as our organising secretary used this to set us all up like he would do for any normal competition. We all received our squadding, from Rob. For those who had not entered a competition before this provided a great way to see how to enter any open.

I have been training hard for the SA state titles in Maitland, they are held over the long weekend in October. I can't wait to see how many NCPC members we can get over to Maitland, straight shooting everyone and let's have a fantastic weekend.

Thanks Sophie Wright

COACHING

Club coach Tony C. has been holding coaching sessions every Sunday in September in the Air Range. Not only were the participants doing exercises at the sessions but were given homework! It must have worked because there were some good scores shot at the Open held on Sunday the 21st. Great work Tony and to everyone that participated.

AROUND THE CLUB

Well done again to those dedicated member's that volunteer to help out at the sausage sizzle when we can get a sport. Logistics are always organized by Sharlene and Mike who coordinated with those keen to help. If you can help out email the secretary so we can get you involved.

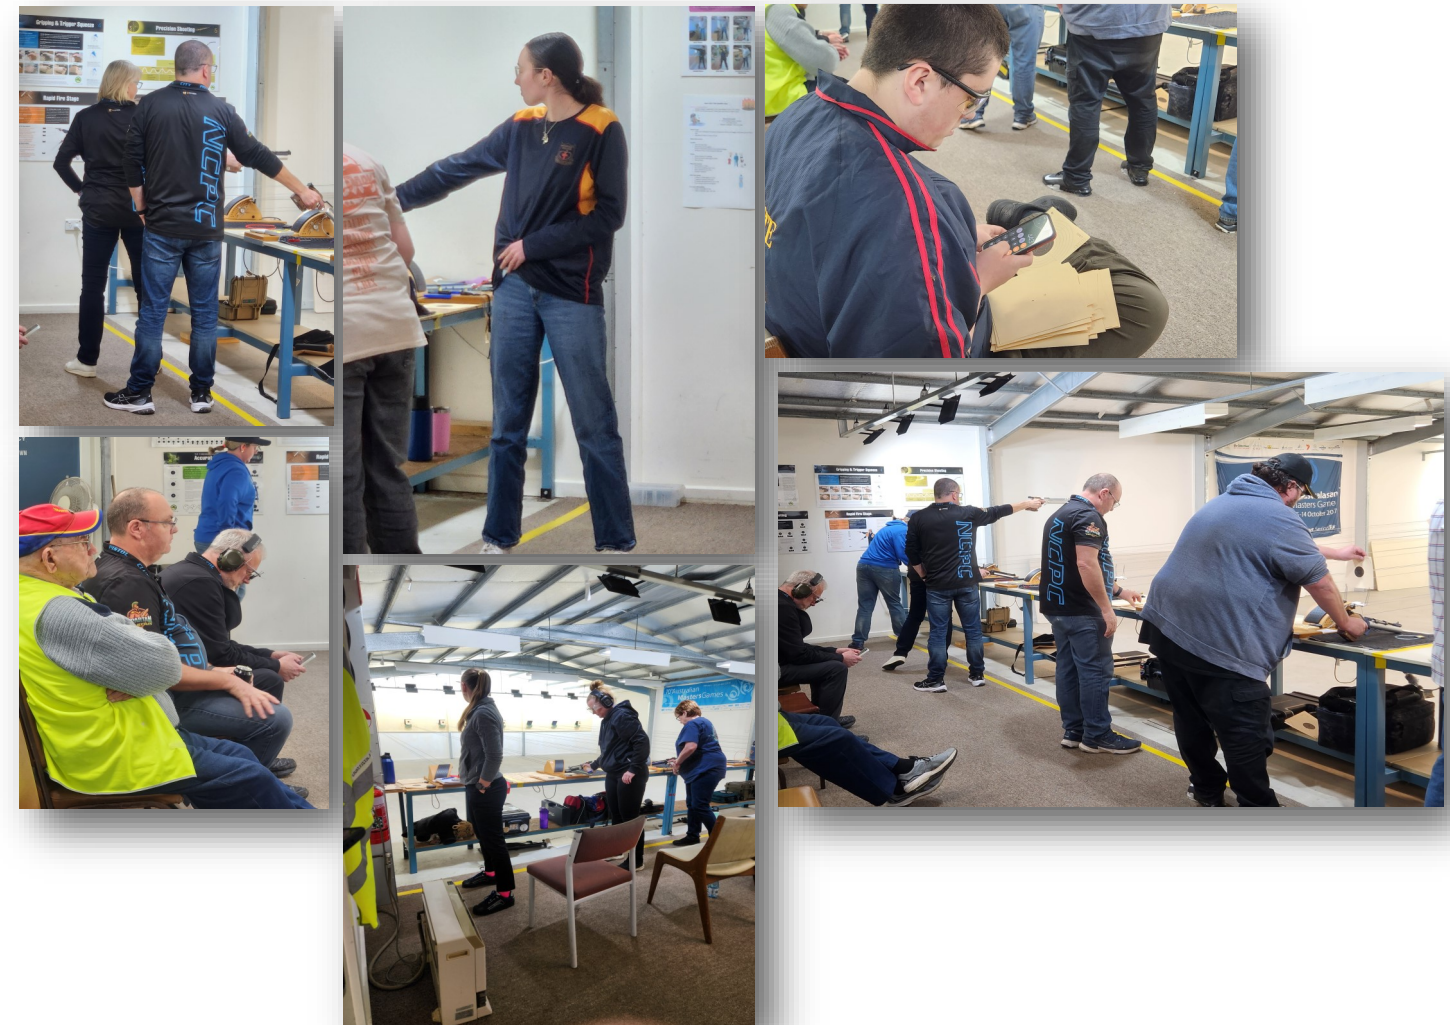

API PISTOL CLUB

The API Pistol Club will be using the range on the 10th of November on Range 2. That Range will be closed to our club members while they shoot- Thank you.

STURT PISTOL AND SHOOTING CLUB OPEN

Sturt Pistol and Shooting club held a one day Open of Standard and Air in September. Noarlunga was well represented one the day with many of our Associate members in attendance. It was a lovely day (but freezing cold) with the Sturt canteen ladies putting on a great spread. Lets hope we can encourage clubs to hold a one day Open as they are great shooting experience as well as the possibility of shooting a qualifier for the State team.

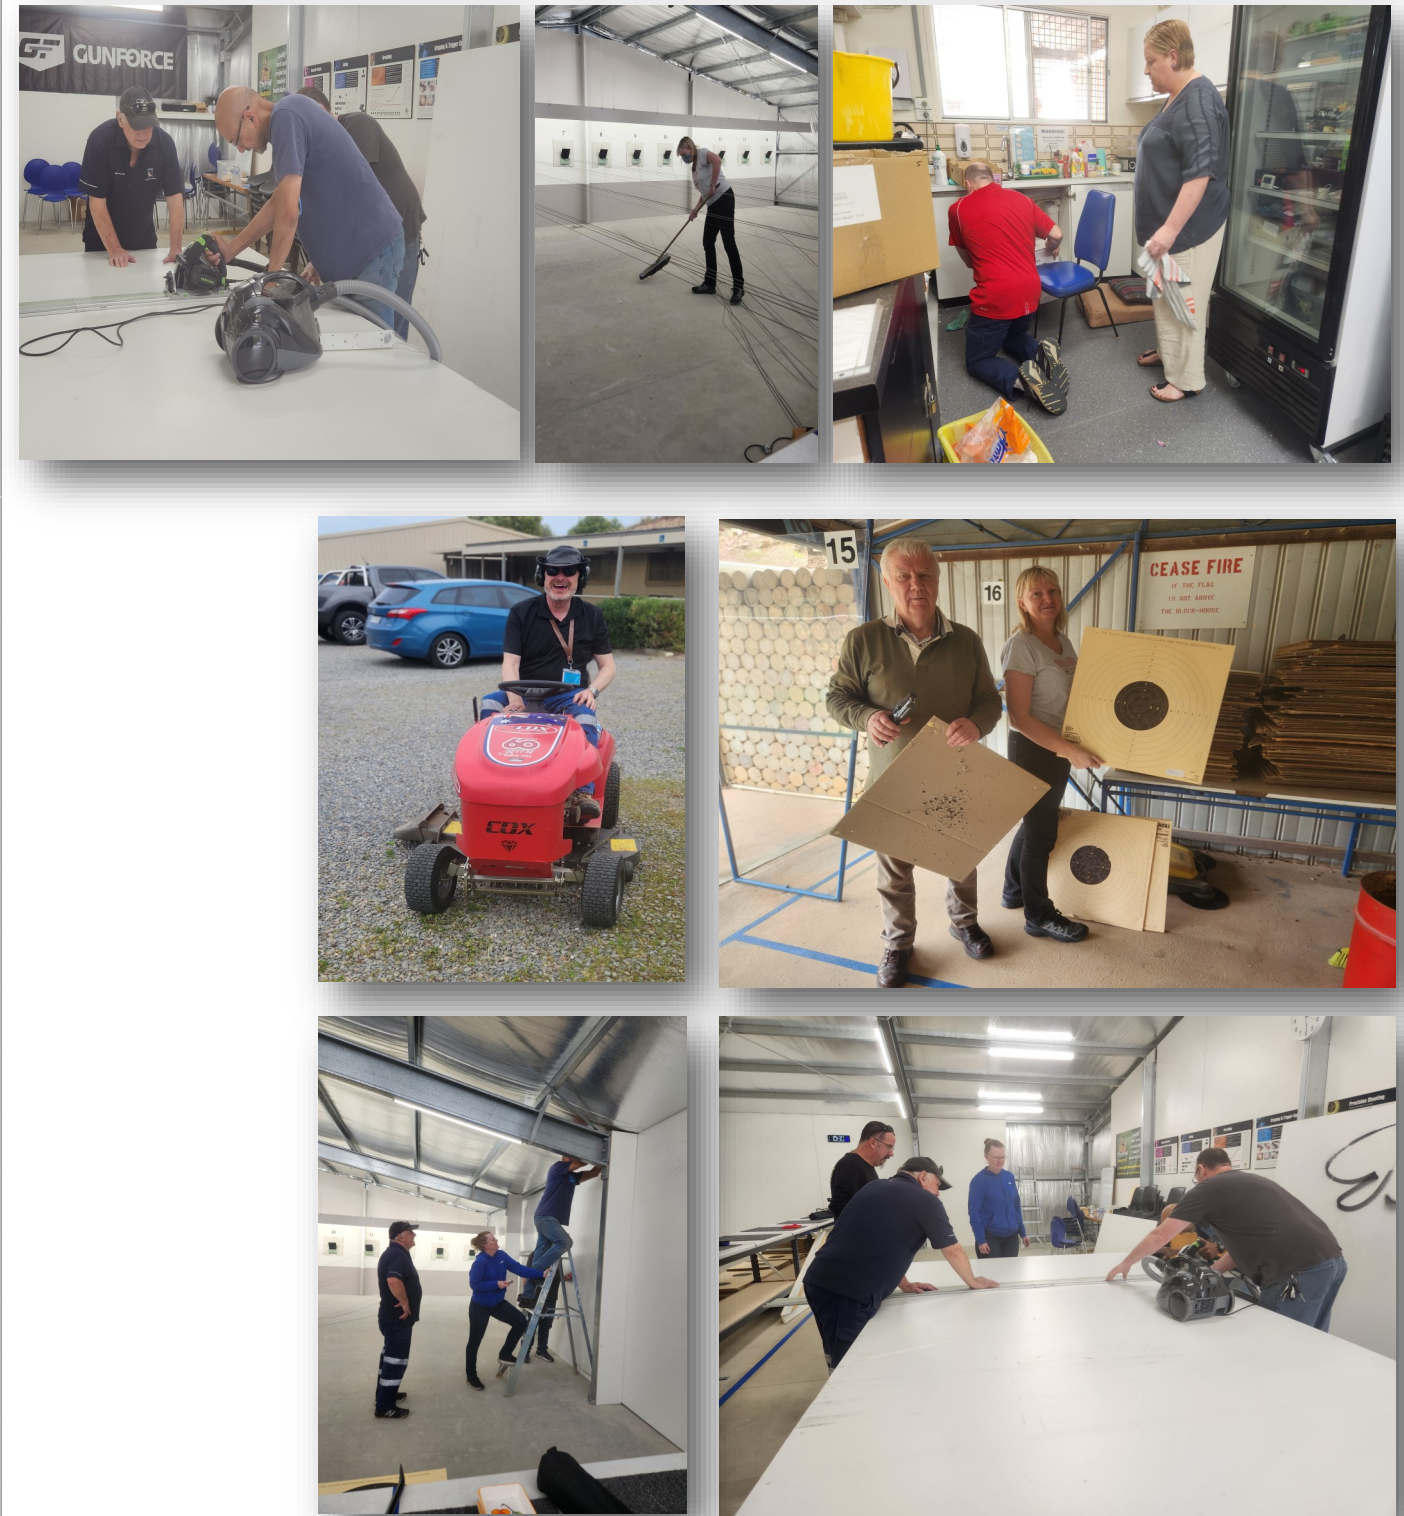

STURT PISTOL AND SHOOTING CLUB OPEN

WORKING BEE

Many thanks to those dedicated members who came to the working bee on the 28th of September. The main task was to get some more of the walls of the Air Range done and Craig I led the charge with Jammie, Robert P, Bob I all helping in a big way. Mike tackled the mowing and Sam and Darren looked after the clubrooms. Just quietly the kitchen has never looked (and smelled) better with Sam spending plenty of time cleaning everything in sight! John and Kristie cleaned up the ranges including tidying up the targets.

SERVICE OF ALCOHOL

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

Please note

- You can only purchase and consume alcohol once you have finished shooting for the day
- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)
- Initially we are focusing on Sundays and Wednesdays with a view to extending to Tuesdays and Saturdays as RSA trained members become available.

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

RANGE ETIQUETTE & HOUSE-KEEPING

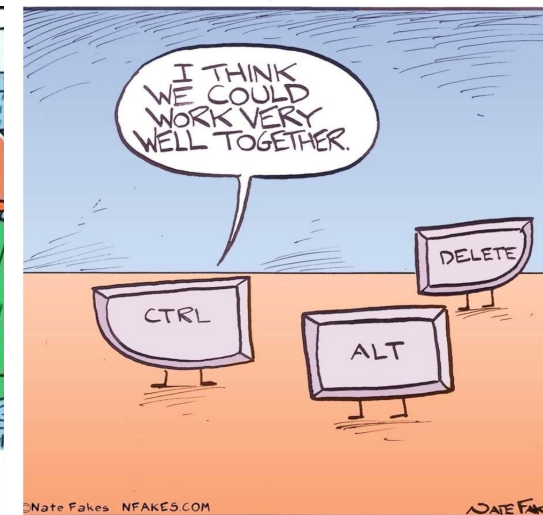

- Please be on range at least **10 minutes** prior to the scheduled match start time as a courtesy to your fellow club members who have set up and are ready to start shooting at the scheduled time
 - The Range Officer has total control of the range and the match – follow all Range Officer commands without exception
 - On match completion, sweep up your spent brass and evaluate your used target:
 - If reusable – patch it **before** returning it to the target storage unit for re-use
 - If shot-out – dispose in one of the yellow lidded wheelie bins near the clubhouse
 - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
- Assist with taking range caddies and target carriers back to the clubhouse
 - Leave the range clean and tidy for the next user(s)
