

NCPC NEWSLETTER

November 2024

Well done to the crew that went to Maitland this month. Massie thinks the group photo quite funny.

A big well done to Junior member Jackson. Jackson won Junior Men's Air and Junior Men's Sport Pistol at Maitland. He also shot a State Team Qualifier for Sport Pistol at Murray Bridge (517). Great work!

SOPHIES CORNER

Well after a very big month in October with 3 different comps, in Mildura, Murray Bridge and state titles in Maitland. In Mildura we had 7 members from NCPC, it was a very nice turnout from Noarlunga and South Australia, showing the Victorians how we do things. Congrats to all members who competed. I need to thank our personal tour guide Talia, for showing us around Mildura, taking us to places such as the Speedway, (as well as almost getting us lost in the middle of no-where).

State titles was a great experience for all shooters. We had a massive turnout of NCPC club members, and congratulations to all athletes who competed. We came home with many state titles this weekend including Talia Woodroffe winning the: Youth Air Pistol, Youth Sports, Women's Sport, Women's Air, and the Youth Aggregate. Jackson winning the: Junior Men's Air, and the Junior Sports pistol. I was very happy with my efforts winning: Junior Women's Air and the Junior aggregate. Congratulations to all.

It was very nice to see Murray Bridge bringing back their opens. As usual NCPC members really got behind the Murray Bridge open with a total of 13 members attending, almost half of the competitors were from NCPC. I would like to say another very well-run weekend, so thank you to all that contributed. It was nice to see the number of competitors who competed in all events (Sports, Rapid Fire, Centre Fire, 50m Pistol), clearly making the most of the weekend. I would also like to send a massive congrats to Junior member Jackson Burton for shooting his first state team qualifier in Sports Pistol, I can't wait to see how well we can all do at Nationals next year.

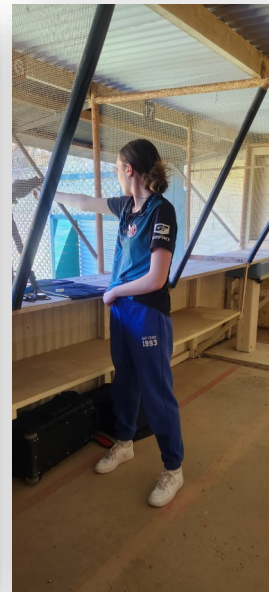

Well done, Sophie ,we are very proud of you!

Murray Bridge held their first Open for a while and it was a great success. Noarlunga supported the hosts by turning up and shooting over the weekend as well as helping on the ranges.

Some great scores were shot and Sophie had a go at 50m Pistol. Great work!

Left: It was great to see the Noarlunga shirts out . This group is shooting 50m Pstol.

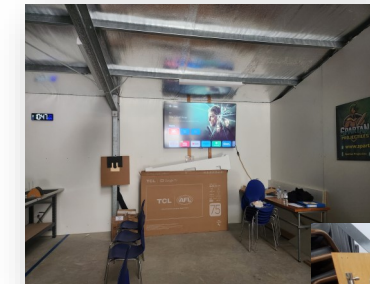

Left: Robert P. shoots Rapid.

Noarlunga members showed up in numbers at the Maitland Open and shot some really good scores. Our Elite member Alison (left) and our Junior Associate member Talia (middle) are with Emily. Well done to all that attended.

AIR PISTOL RANGE

We have recently put up a TV in the Air Range for coaching and Opens use.

Any pistol equipment (Trigger weights ect) can be found under the portable compressor in the Air Range.

Hi Member,
When shopping at
SA Landscaping

Mention Noarlunga City Pistol Club
for a 10% donation back into the club!

Where are they?
72 How Road Aldinga Beach
32 Gates Road Hackham
5 Sims Road Reynella (formally Railways)
Just get them to put Noarlunga City Pistol Club
on the invoice for the offer to work.

Thanks SA Landscape and Phil for this sponsorship!

See page 7 for more details

FROM OUR CAPTAIN

Following a recent review of safety and procedural processes of the club facilities and member behaviours, it is suggested that when two or more shooters are shooting a match for practice, 1 person must be identified as Range Officer before commencing.

Ideally an RO should not be shooting and remain behind the shooting line at all times at all times to ensure safety protocols are being observed correctly.

If an RO is shooting the match also it is suggested that another shooter may score their target or replace the target between rounds so that it may be scored later allowing the RO to remain in a suitable position to observe.

If less than 3 shooters the door should be locked before moving forward if guns are left on the benches.

CLEAN UP!

After shooting matches or practice members are reminded that they must clean up their brass after completion (all brass and casings). Not only is this a courtesy to other shooters who should not have to clean up after the last shooters, this is vital to ensure we are not leaving live rounds on the Range. We are all aware this is a breach of the firearms act and it will be unfair on all members if the club were to be fined because 1 or 2 people were too lazy to clean up after themselves.

AMMUNITION RESTRICTIONS

There has been evidence found that members are using the incorrect ammunition on the range. Examples:

Only 12 Gauge 7 1/2 shot shotgun shell can be used.

No Jacketed ammunition.

Be careful when purchasing ammunition that can be used at our club.

If in doubt talk to a committee member or speak to the Captain or Armorer.

Club Captain.

SERVICE OF ALCOHOL

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

Please note

- You can only purchase and consume alcohol once you have finished shooting for the day
- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)
- Initially we are focusing on Sundays and Wednesdays with a view to extending to Tuesdays and Saturdays as RSA trained members become available.

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

RANGE ETIQUETTE & HOUSE-KEEPING

- Please be on range at least **10 minutes** prior to the scheduled match start time as a courtesy to your fellow club members who have set up and are ready to start shooting at the scheduled time
 - The Range Officer has total control of the range and the match – follow all Range Officer commands without exception
 - On match completion, sweep up your spent brass and evaluate your used target:
 - If reusable – patch it **before** returning it to the target storage unit for re-use
 - If shot-out – dispose in one of the yellow lidded wheelie bins near the clubhouse
 - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
- Assist with taking range caddies and target carriers back to the clubhouse
 - Leave the range clean and tidy for the next user(s)

Sponsorship Program

Earn Sponsorship for Your Club with Every Purchase!

At SA Landscape Supplies, we believe in supporting our local community. That's why we're excited to announce a new sponsorship opportunity for local sporting clubs!

For every dollar your club or a member of your club spends at SA Landscape Supplies, we'll give 10% back to your club as sponsorship money!

How it works:

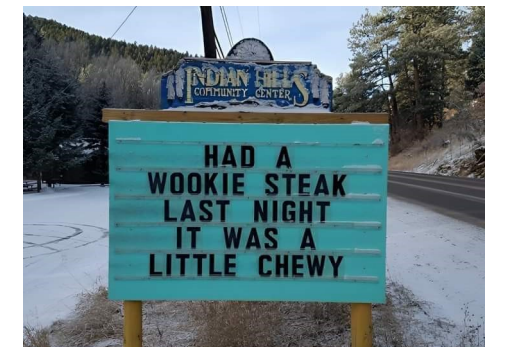

- 1. Shop with Us:** Purchase any of our landscape and building supplies and simply mention your clubs name (excludes firewood and special order products)
- 2. Earn Sponsorship:** For every dollar spent, your club will receive 10% back in sponsorship funding for your club. It's that simple!

0413 008 009 barry@salandscape.com.au

T&C's - Sponsorship Program offering 10% in sponsorship money does not apply on Firewood and special order products. Member must mention club at time of purchase.
