SOPHIES CORNER- AGM SPEECH

Hello everyone.  
My name is Sophie Wright, and I am one of the junior members at NCPC. I joined the club in late 2022, since joining I have been made to feel very welcome. The club members work very hard keeping the ranges in great condition, you can see how passionate people are about our sport. Members are always willing to help out with advice, tips and tricks to help all of us achieve our goals. I've been lucky enough to attend two junior tri states competitions one in Yackandandah Victoria. the other at Penfield. In my opinion we have the best club for Juniors and shooters from all ages and abilities. The club has helped me out by organising coaching sessions, we are lucky to have so many state team members come and compete at our club. These athletes have inspired me to want to make it onto the state team, I hope to achieve this very soon. I am very lucky to be able to contribute to the club's monthly newsletter, as some of you may have noticed. This has been an enjoyable opportunity which I have been doing since late last year.

I have a few people I would like to thank, firstly I would like to thank Sharlene for everything she has done for me whether its taking me down to train with her (even when I forget half of my things, I did have my pistol but that's only because Sharlene bought it down for me) Sharlene is always such a positive influence on me, especially when things don't go to plan.

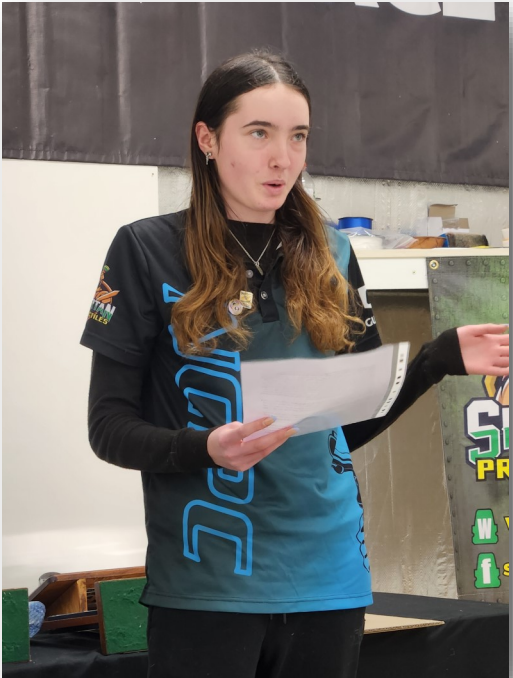

Alison Heinrich for the amount of work she has put in for us juniors and the amount of love and support she has shown me. Dave Burton for running countless opens and extras small opens giving all of us exposure to competitions. This will definitely help us juniors and others into the state team.

Karon who is both our president but also the clubs secretary, I am not sure if everyone knows how much time Karon puts into the club. We are certainly lucky to have such a great committee, you can certainly see how passionate they are about our club. Just look around at what they have achieved in the last year. Without all of their effort the simply couldn't keep running.

Finally my dad for continuing to push me and support me throughout this journey, without dad I simply wouldn't have met all of you wonderful people.

Oh, I can't miss one last person out, Craig for all his facts about meat.

Thank you all for your love and support, everyone should be so proud of our club.

NCPC MORNING PISTOL TRYOUT- AGM- TROPHY PRESENTATION—BBQ LUNCH

The 21st of July saw the club AGM roll around for another year. It was great to see so many members come out and show support for the club as we had more than enough for a quorum.  
Thanks to Robert , Jamie and Brodie who kicked off the day with a pistol try out session. They bought along some very nice pistols along for members to try out.  
After the AGM SARPA pins were handed out then Sophie gave a great speech about what the club and shooting mean to her.  
On to the awards– The perpetuals were top offgun for the Club Champion Matches held in March. Scorer Rob also gave out cards for 1st place in grades for matches during the year .

Top row:  
Members try out pistols.

Middle row: Sophie gives her speech.  
Phil picks up the Service award.  
Steve picks up the other service award.

A long term State team member Sharlene is a deserved winner of the award.

**Our fantastic scorer**  
**Robert .**  
Jumping in the deep end with scoring Robert had his work cut out for him with working out the awards for this year. Well done.

**Our president trophy award winners**  
David B and Kristie. Both of these members are guilty of hard work for our club. David has been the Organizing Secretary during a very busy couple of years with Opens.. Dave has also been a committee member and has done a great job with fundraising. Kristy has been at numerous working bees (many unscheduled) and has been going to Opens and representing NCPC

BLACK POWDER STATE TITLES 27 TH JULY

The Black Powder State Titles were held on the 27th July and while the weather was cold it soon warmed up with the sound of Black Powder gunfire. The 50m match was on in the morning and whilst it's a slow match, 6 series of 10 shots in 30 minutes, it is interesting to watch as they make their ammunition on the bench as they shoot.

The 25m match was shot in the afternoon with 2 details. It's a quicker match with the athletes using revolvers to shot 5 shots in each series including a rapid fire stage.

Air Pistol was also shot over the weekend with the Athletes enjoying Open conditions.

Good scores were shot in each discipline with Rapid and 50m shot on Sunday the 28th.

**Winner of the 50m Black Powder Off gun :**

AROUND THE CLUB

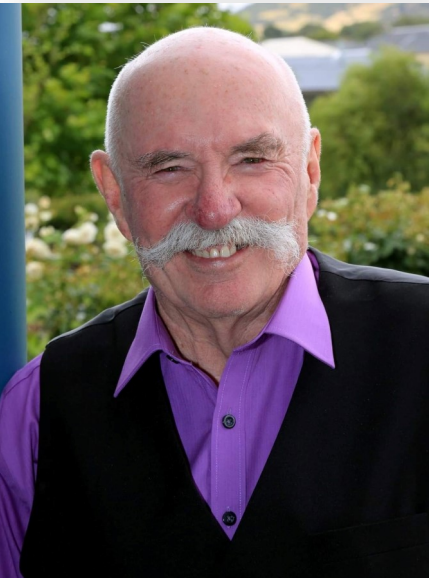

Jammie and Robert put up the new sign so our visitors know where to go just in time for the Open (Friday night) Well done guys and the spider trying to make it more entertaining.

The day of the Black Powder State Titles was ex president Sharlene's Birthday so an invitation to 'Bogan Bingo' was a solid yes. A great night was had by all !

It is with great sadness we see the passing of our friend Roscoe. Ross passed away on the 13th of July after a long illness. Ross was a loving husband to Wendy who was a social member for a time at our club. Ross was a Black Powder and Single Action shooter as long as he could and probably a bit longer. Sadly Ross had to hang up his holster and retire from shooting, passing on his shooting irons to those still shooting. Ross led an interesting life including a member of an Ice Hockey Club , Black belt Tang So Do Karate and an avid Harley Davidson Motorbike Rider. Ross was also a musician, trained in piano and pipes.

At his time at the club Ross was on the committee for a few years and with his good friend Ossie were great value always lightening the mood. Rest in peace.

## SERVICE OF ALCOHOL

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)

## RANGE ETIQUETTE & HOUSE-KEEPING

  - On match completion, sweep up your spent brass and evaluate your used target:
    - If reusable – patch it **before** returning it to the target storage unit for re-use
    - If shot-out – dispose in one of the yellow lidded wheelie bins near the clubhouse
    - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
