## THE SCORE BOARD

### Air Pistol Mixed Doubles Fun Day Recap

The Air Pistol Mixed Doubles Fun Day was a fantastic event filled with friendly competition, teamwork, and plenty of memorable moments. With six teams randomly selected, the competition provided a fun and unpredictable challenge as shooters adapted to new pairings and worked together to achieve the best combined scores.

### Qualifying Round Results

Each competitor completed a 30-shot qualifier, with scores combined to determine the rankings heading into the finals. After qualifiers, the standings were as follows:

1. Tony & Kristie – Showcasing impressive consistency and precision, they secured the top spot.
2. Sharlene & Darren – A strong performance earned them a well-deserved second place.
3. Alison & Adam – A solid showing landed them in third position.
4. Brodie & Sophie – Their teamwork and determination placed them fourth.
5. Jammie & Bob – A competitive effort saw them finish in fifth.
6. Sam & Gagan – Rounding out the rankings but undoubtedly giving it their all.

### Finals Showdowns

With the qualifiers complete, the finals determined the medal winners and final placements:

- Gold & Silver Match: Tony & Kristie vs. Sharlene & Darren
- Bronze Match: Alison & Adam vs. Brodie & Sophie
- Minor Placings Match: Jammie & Bob vs. Sam & Gagan

The battle for 5th place was a fun and lighthearted contest, filled with laughs, excitement, and some great banter. After eight rounds, Jammie & Bob secured 5th place, leaving Sam & Gagan in 6th, but both teams walked away with smiles.

In the bronze medal match, Adam & Alison were leading Brodie & Sophie 10-6, but Sharlene & Darren had begun to mount a comeback in the gold medal match, taking their score to 6-14 in the next two rounds, pushing hard for a closer finish. At the same time, in the bronze medal match, the pressure was mounting as Brodie & Sophie found their rhythm and tied their battle up at 10-10, making it all the more intense.

### Break for Lunch

Just as the finals reached a tense spot, with matches heating up and the scores so close, the decision was made to take a break for lunch. It was the perfect moment to recharge, share some laughs, and take a breather before diving back into the action.

The Final Push

After lunch, things took an unexpected turn. Darren had to leave at such a crucial moment, and Robert stepped in to try and assist Sharlene with the comeback. Unfortunately, despite Robert's best efforts, he couldn't quite help Queen Shazza stage the comeback they needed. After just two rounds, Tony & Kristie secured the top spot for the day, finishing strong and solidifying their victory.

While Sharlene and Robert gave it their all, the day ultimately belonged to Tony & Kristie, who proved to be an unstoppable pair, taking home the gold in dominant fashion.

The Battle for 3rd and 4th: The Showdown of the Day

The battle for 3rd place between Alison & Adam and Brodie & Sophie turned out to be the battle of the day. The match was a nail-biter, with scores going back and forth.

- 12–10, 13–11 (after a tied round),
- 15–11,
- And finally, 17–11,

Alison & Adam emerged victorious, securing the bronze medal in an exciting, hard-fought contest.

Their perseverance and determination paid off as they claimed third place, while Brodie & Sophie put up a valiant effort and finished just shy of the podium.

Final Standings

The event concluded with the following final standings:

1. Tony & Kristie – Gold Medal
2. Sharlene & Darren – Silver Medal
3. Alison & Adam – Bronze Medal
4. Brodie & Sophie – 4th Place
5. Jammie & Bob – 5th Place
6. Sam & Gagan – 6th Place

It was a fun and competitive day, with each team giving it their all and making memories that will last long after the event.

SOPHIES CORNER

Hello everyone, hope you all had a wonderful New Year. It's been lovely seeing everyone back and having fun at the range. We started the new year right with an open at our club on the 24<sup>th</sup> and 25<sup>th</sup>. This weekend involved Air, Sports Pistol and Rapid Fire. It was a lovely opportunity to see everybody back on the range after the Christmas break. A few qualifiers were shot ready for next year's nationals, with a massive congratulations to Alison with an incredible Centre Fire score of 579!

On the 26<sup>th</sup> Rob hosted a fun Air Pistol Shoot, with lots of fun games and lots of competition. Shooters who attended ranged from State team members to very new shooters. It was an excellent day of fun with a little bit of banter as well. We had mixed pairs, unfortunately I drew the short straw. Rob mixed up the teams with Boys and Girls and Experienced shooters with newer shooters. This gave everyone an even chance and a fair competition. Congratulations to Tony and Kristie becoming our Air winners for the day with Sharlene and Darren Following closely behind, with Double A's clamming the third spot. After shooting we were then treated to a delicious subway lunch. An excellent way to finish a comp weekend. Thank you, Rob, J

The Air Range has finally been fitted out with Air conditioning . Thanks Jammie for organizing and putting in a long day to get this project completed. When using the units please turn off when you have finished. They have been fitted with switches to turn them off after being on to long but we require members using these devices to turn them off.

There is now an Attendance book in the Air Range so that you do not have to go to range 2 to sign on when the club is closed.

# TOTL TRAINING ON THE LINE

Training On The Line has been, arguably, one of the most productive training courses ever offered in South Australia - and possibly Australia. Introduced in 1981 by Alex Taransky, the course has been constructed to improve competitor's shooting techniques - whether a beginner or an accomplished competitor. The skill sets offered in TOTL are effective and fun to use - and they can be conducted "solo" or as a "team" at times that suits the individuals. Some of the athletes that assisted Alex Taransky included Enid Newton (later Enid Boothby), Peter Schultz, Anthony Markowski and David Chapman (to mention just a few). Take this opportunity to learn techniques that have a proven track record in underpinning your existing shooting skills - regardless of your current competencies.

**WHEN:**

The courses will be conducted over 3 months, on FOUR weekends:  
15-16 FEBRUARY, 1-2 MARCH, 29-30 MARCH and 26-27 of APRIL.  
FIRST WEEKEND: Introduction, expanding on the secrets, learning to write left handed.  
SECOND WEEKEND: Setting the scene for all skill levels. Activities to train for improvement.  
THIRD WEEKEND: Assessment of work done. Timed fire activities for improvement.  
FOURTH WEEKEND: Assessment of work done. More activities for improvement. Planning.  
Each day will have the same content for that weekend. It is most effective if one day each weekend is attended. We can try to make up for one day missed, two will be difficult, until the next round of weekends is decided.

**VENUES:** (these may change due to any weather extremes):

On each weekend, the Saturday will be at Noarlunga.  
Sunday is, provisionally, at Elizebeth but with the option of Balaklava (if numbers from the north warrant it).

**TIMES:**

8.30am for a 9.00am start. Concludes around 4.00pm (or possibly a little later).

**WHAT'S PROVIDED:**

Course Notes, Diary and Exercise Sheets. Also morning and afternoon tea with snack/nibbles. (Due to the varied diets these days, it is suggested that you bring your own lunches. Fridges are available).

**REGISTRATION: \$50**

Contact DAVID CHAPMAN at [dchpman@rbe.net.au](mailto:dchpman@rbe.net.au) or on 0428 633 146

**DUE TO THE ANTICIPATED POPULARITY OF THESE COURSES,  
PLEASE REGISTER AS EARLY AS POSSIBLE, BUT IN ANY EVENT,  
AT LEAST 7 DAYS BEFORE THE COURSE.**

## SERVICE OF ALCOHOL

The club now has a liquor licence and a selection of beer and spirit mixers is available for sale and consumption on the premises

### Please note

- You can only purchase and consume alcohol once you have finished shooting for the day
- Once you have consumed any alcohol, you may not shoot or officiate in any capacity on range
- Alcohol cannot be taken on to any range (as per signage at the entrance to each range)
- Alcohol can ONLY be accessed / served by an approved RSA (no RSA on site = no alcohol available)
- Initially we are focusing on Sundays and Wednesdays with a view to extending to Tuesdays and Saturdays as RSA trained members become available.

PLEASE FOLLOW THE BELOW ADVICE AT ALL TIMES ON THE RANGE AND PACK UP IF YOU ARE THE LAST SHOOTER ON THE RANGE (FLAGS, COMPRESSOR, POWER ECT.)

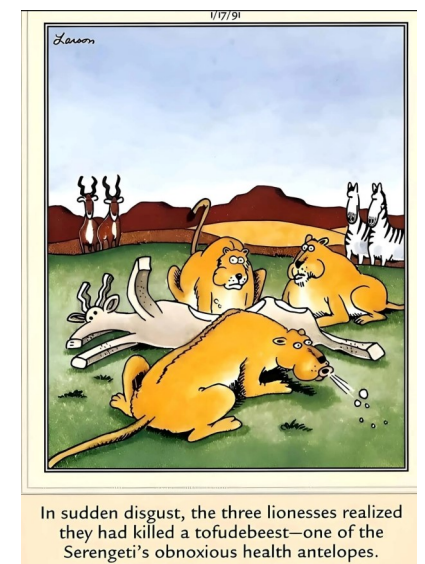

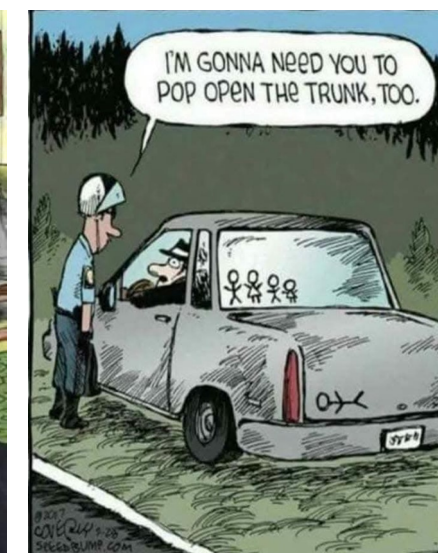

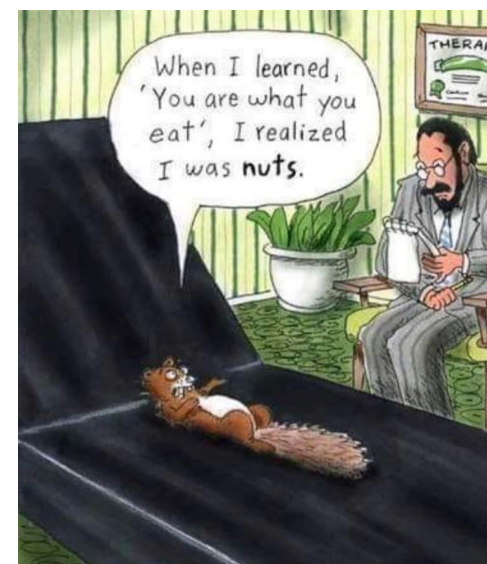

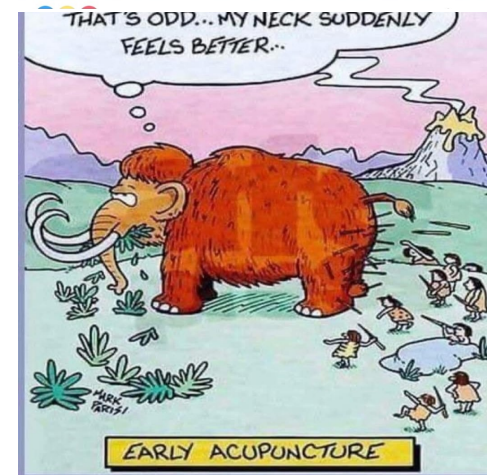

## RANGE ETIQUETTE & HOUSE-KEEPING

- Please be on range at least **10 minutes** prior to the scheduled match start time as a courtesy to your fellow club members who have set up and are ready to start shooting at the scheduled time
  - The Range Officer has total control of the range and the match – follow all Range Officer commands without exception
  - On match completion, sweep up your spent brass and evaluate your used target:
    - If reusable – patch it **before** returning it to the target storage unit for re-use
    - If shot-out – dispose in one of the yellow lidded wheelie bins near the clubhouse
    - If in doubt, ask!
- (The above also applies for practice sessions – please patch targets before storing for re-use)
- Assist with taking range caddies and target carriers back to the clubhouse
  - Leave the range clean and tidy for the next user(s)

## THE FUN SIDE

Because we could back then 😊
